Terry Withdraws Subpoenas For 2

. . . Hearings Concluded Here

By Betty Person

The withdrawal of subpoenas issued for two Lincoln business firms highlighted the final day of hearings on tax matters in Lancaster County by the Legislative Tax Investigation Committee which concluded its hearings Friday after interviewing 158 business firms in this area.

Committee Chairman Sen. Terry Carpenter told Robert Dobson, president of Dobson Construction Co. and D. B. Equipment Co., firms against which subpoenas had been issued, he was "very happy to withdraw the subpoena" after Dobson appeared before the committee with the information requested.

Dobson explained there had been "a little confusion on our part" previously about what information the committee had requested, and that the companies wanted to co-operate with the committee in giving the tax information desired.

Some Controversy

There was some controversy during the Friday session with a representative of the Goodyear Tire and Rubber Co. over whether or not certain information could be furnished the committee, but the company official later informed Carpenter the information had been received from their Kansas City office and was available for the committee whenever it wanted it.

Carpenter expressed concern over the absence, as scheduled, of representatives of Firestone Stores, and said if the company did not ap-

Russ Answer Deep Secret

Warsaw (AP) — The United States Friday urged Red China to extend the cease-fire at Quemoy, authoritative sources said. Whether Red China agreed was a deep secret.

The cease-fire ordered by the Peiping government last week end is technically due to expire at midnight Sunday.

U.S. Ambassador Jacob Beam and Chinese Communist Ambassador Wang Ping-nam met for 2½ hours in an ochre-colored palace here. Afterward, all they would say was that they had agreed to meet again next Wednesday.

Halt Predicted

Many diplomats concluded this continuation of the meetings meant the shootings would not be resumed in the meantime.

But skeptics pointed out that Friday's 7th session was the only one the two have held without guns blazing and said there seemed no reason to believe continuation of the talks depended on continuation of the cease-fire.

The Chinese Communists were still pressing for an immediate evacuation of U.S. military might from the Formosa Strait area—which in effect would, mean the abandonment of Chiang Kai-shek.

While the two ambassadors were dickering on questions which could mean war or peace in the far Pacific, top directors of the Communist Warsaw pact were gathering in this Polish capital.

Taipei (Saturday) (AP) — Nationalist China girded for a renewal of the offshore island war by pouring a massive buildup of munitions, supplies and troops to Quemoy.

T'Ain't Us!

The spanking new surfacing on No. 10th is being torn up in two spots—but, fellow citizens, the city ain't to blame.

New underground conduits for street lighting were damaged at the Q and P intersections during construction and discovery was not made until after the re-paving job was completed.

Repairs are being made at the two trouble spots by the electrical contractor involved.

A section of the conduit at the two points was apparently damaged and blocked by clay before being enclosed in eight inches of concrete.

Pope Pius Borne To Mother Church

. . . Last Majestic Procession

Vatican City (UPI)—Pope Pius XII was borne in his last majestic procession Friday to the high altar of the largest church in Christendom to lie in state for 3 days.

The 261st pontiff of the Roman Catholic Church in a line unbroken from St. Peter will be interred Monday far below the floor of St. Peter's Basilica in a crypt he himself chose for its obscurity among the tombs of his predecessors.

An awesome procession rich with the ancient panoply of the church, brought the body of the 82-year-old Pope from the papal summer villa at Castel Gandolfo, 15 miles south of Rome, to its bier before the altar of confession. The procession of the glass-walled hearse bearing the body took more than 3 hours.

A million Romans and tourists, many of them in tears, lined the route past the ruins symbolic of the ancient Roman empire and the birth of the Christian faith.

A crowd of more than 300,000 stood in the cobblestoned square of St. Peter's under the setting October sun to watch the procession, led by 5,000 priests, reach the steps of the mother church. There, 20 men who during his reign carried Pius XII in processions on his gestatorial chair, slowly carried into the church the crimson-shrouded wooden coffin.

Interrupted

A tolling of bells sounded a requiem. The bells of St. Peter's shrilled in a cadence occasionally interrupted by the solemn booming of the great bell known as the campanone.

Cardinals waited at the entrance to take part in the placing of the body on an inclined catafalque.

Earlier in the day, the 14 cardinals now in Rome, including Francis Cardinal Spellman of New York, met as a special congregation and chose Msgr. Federico Callori di Vignali, prefect of the papal chamber, as governor of the conclave of the sacred College of Cardinals that will ellect a new Pope in ultra-secrecy. The conclave must start before Oct. 27—probably on Oct. 24.

It will be held in the Sistine Chapel, frescoed by Michaelangelo, where originally, the Pope's body was to have been brought.

CANDIDATE MEETS PUBLIC

Democrat Francis M. Casey faces a paradox in the fight for the state's Second District seat in Congress. He's the candidate of the majority party but he's an underdog in the contest.

For the story about how the Plattsmouth attorney is trying to overcome his opponent's advantage, The Star's political reporter, Don Walton, spent a day with Casey.

U.S. OK's Russ Talk On Nov. 10

Washington (AP)—The United States agreed Friday to East-West talks starting Nov. 10 on ways which might be adopted to guard against surprise attack on any nation.

The talks will be technical. If agreement should be reached that it is feasible to set up an effective warning system, political negotiations aimed at putting it into effect presumably would follow.

This would follow the pattern set by international negotiations aimed at ordering into effect a ban on nuclear weapons testing under worldwide inspection safeguards.

Lunar Orbit Odds '1 In 10'

Thor-Able Rocket Launched For 2½-Day Space Hop From Cape Canaveral

Cape Canaveral, Fla. (AP)—The Air Force Saturday announced successful firing of all 3 stages of its moon rocket.

The 3-stage missile was launched at 2:42 A.M. and 10 minutes after launching the Air Force said all stages fired successfully.

"The launching of the experimental lunar probe vehicle has now been accomplished," the announcement said.

However, project scientists have no plan actually to hit the moon, some 221,000 miles away. Cautioning against too great expectations, they have said about the best they are hoping for is to get the payload within 50,000 miles of the moon; perhaps into orbit around it.

It added that further information on the progress of the test would be reported as data was transmitted to the tracking stations.

The successful firing of the 3 stages indicated that the missile had escaped into space and was on its way toward the moon.

Aboard the lunar probe were 25 pounds of germ-free instruments, including a scanning device. If all went well, this infra red television type device would send back the first crude pictures of the far side of the moon.

Also aboard was an ion chamber. This electronic device may measure the radiation level on the hoped-for 2½ day trip to the moon and beyond.

The missile took off in beautiful weather and rose up into a starry sky.

It turned over slightly toward the northwest, exactly as scheduled.

The flames of the rockets lit the countryside and eliminated a thin layer of ground fog.

Reappeared

The missile continued to go through space for about 2½ minutes. Then the lights disappeared and reappeared apparently as the second stage ignited.

The lights of the missile could be seen for a few minutes longer until it faded among the stars.

From the launching point there was every indication that it had been a successful firing.

Chances Slim

Project scientists have said all along that while one of their hopes is to put the satellite into an orbit around the moon, the chances of doing so in a pioneering venture are extremely slim.

They say they'll consider a moonshot a success if they are able to shoot the rocket's instrumented payload within 50,000 miles of the moon, even though it doesn't go into orbit. And chances of coming within that distance are rated as no better than one in 10.

Beaches Lined

The launching was witnessed at the Cape by more than 100 newsmen and cameramen.

The preliminary work on the missile proceeded with remarkable speed. The rocket had been scheduled for firing at the exact 2:42 A.M. schedule at which it took off.

Innocent Plea Entered In Murder Case

Central City, Neb. (AP)—Dewey Randolph Thomson, 22, Honea Path, S.C., pleaded innocent in Merrick County court Friday to a charge of first degree murder in the slaying of Norman R. Harper, College Park, Ga.

Merrick County Attorney Stanley Torpin filed the charge and the arraignment followed almost immediately.

Thomson waived preliminary hearing and was bound over to district court without bond. Torpin said Thomson had been returned to the county jail to await trial.

Thomson was halted for speeding near Overton Thursday and State Trooper Francis Dvorak noticed him trying to shove a bloody jack handle under the front seat of the car.

Buffalo County authorities began questioning Thomson and said he admitted bludgeoning the 24-year-old Harper. The body was found in a ditch a mile east of Central City Thursday.

Torpin quoted Thomson as saying Harper picked him up near Columbus and the slugging came after Harper talked of having about $56 on his person. Harper died of five skull fractures, an autopsy showed.

Game Again Even-Steven

By Don Bryant

The Nebraska Cornhuskers will go after their second Big 8 Conference victory of the year at Memorial Stadium Saturday afternoon at 2 p.m., and they've drawn a rugged assignment in the Kansas State Wildcats.

It shapes up as another battle royal between a pair of evenly matched loop clubs. More than 37,000 fans are expected to see the Band Day feature.

Prior to the game and at halftime, some 3,500 prep musicians—representing 71 Nebraska high schools—will treat the spectators to another colorful extravaganza to celebrate the 20th anniversary of the event which was originated at NU.

A morning parade, starting at 9:30, is also on the Band Day program.

Contrast

The football game will represent just about as much contrast as the massed bands.

Nebraska, traveling at an offensive minimum, has gained two victories in 3 starts; Kansas State, with a maximum of offensive efficiency, has lost two of its 3 starts.

Nebraska has whipped Penn State, 14-7, and Iowa State, 7-6, while falling, 28-0, to a tough Purdue club. In both victories the Huskers have been outclassed in every department but punting and scoring.

Ben's Big Toe

Kansas State nipped Wyoming, 17-14, on Ben Grosse's field goal before losing to Colorado, 13-3, and Utah State, 20-13. And in both losses the Wildcats had vast superiority in offensive statistics, but couldn't come up with the right scoring punch.

Both coaches are hoping for better things this week. NU's Bill Jennings is looking for a speed up in the Husker offense; KS's Bus Mertes is hoping for an improvement in scoring ability.

Biggest Nebraska question mark is soph left halfback Pat Fischer, who has been slow rounding into shape after a bout with the flu. He'll play, but how effective the little speedster will be remains to be seen.

6th Soviet Atom Blast Is Detected

. . . U.S. Sets Off Nevada Test

Washington (AP)—Detection of a 6th detonation of a nuclear weapon in a series of Soviet Russia tests was reported by the Atomic Energy Commission Friday.

The commission said the blast, of relatively high yield, was fired north of the Arctic Circle.

It apparently was the 6th weapon fired in the current series of tests which began Sept. 20 with two shots. Two additional weapons were fired Oct. 2, and detection of a 5th blast was announced by the Atomic Energy Commission Monday.

The tests continued a series started after Moscow announced last March that it was suspending nuclear weapons tests.

An international agreement on a suspension of all nuclear weapons testing is scheduled for consideration in talks between Russia and western powers starting in Geneva Oct. 31.

WARMTH TO COME AFTER EARLY CHILL

After an expected early morning dip below the freezing mark, Nebraskans can expect good football weather clear to partly cloudy skies Saturday and Saturday night with high temperatures in the 70s.

Imperial recorded the state high Friday with 70, while Chadron had a low of 20.

Lincoln had a high of 62 with a low of 38.

Ex-Cons Admit Breakins At 19 Area Businesses

By Del Harding

Two Lincoln ex-convicts have admitted committing 19 burglaries in the Lincoln area since mid-September, according to Police Chief Joe Carroll.

The men—Richard F. Stieber, 30, who gave a Lincoln address of 328 So. 52nd, and Henry Reichel, 35, of 1207 Charleston—both pleaded guilty Friday in Lancaster District Court to burglarizing the Servall Market at 3308 A of about $200 on Sept. 24.

Carroll said the men admitted after police interrogation that they also committed a series of other recent burglaries including the theft of more than $700 from the Walton, Neb., Co-Op Elevator Sept. 26.

Third Man Involved

About $1,500 in cash and an undetermined amount of merchandise was believed taken in the 18 burglaries.

A third man, Troy Albert Maupin, 36, of the YMCA, reportedly accompanied Stieber and Reichel on the Servall Market burglary, but was not involved in the others. Maupin pleaded guilty Wednesday to a burglary charge and is awaiting sentencing.

Reichel had pleaded guilty last week to a charge of possession of burglary tools and is awaiting sentencing on this charge. At that time he had denied committing any burglaries. He was released from the State Penitentiary Sept. 3 after serving a term for no-account checks.

Maupin and Stieber also were only recently released after serving burglary terms —Maupin in July and Stieber in June.

Six More Solved

Six other recent county burglaries were reported cleared by police last week with the arrest of Edwin Lundy, 30 of 3281 Hitchcock. Lundy was charged with burglary but after his attorney expressed uncertainty as to how he should plead an innocent plea was entered for him. He is awaiting a preliminary hearing.

Police said, however, that he had admitted the 6 burglaries. Lundy was charged specifically with breaking into Tate's Service Station south of Lincoln on U.S. 77 Sept. 4.

Many Locations Hit

Chief Carroll said Stieber and Reichel admitted being involved in the following burglaries in Lincoln: Bradfield Drug Store, Dittmer's Greenhouse, Williams Cleaners, Winter Drug, Ben's Beauty Salon, Servall Market, Skyline Dairy and attempted burglaries at Piedmont Drug the office of Dr. Guy Matson at 2737 No. 49th.

Carroll said the pair admitted burglaries at the following other locations: grain elevators at Raymond, Princeton, Cortland, Walton, Ellis, Palmyra and Centerville, a hardware store at Cortland, the "Crete Corner" service station and Clem's Tavern on West Van Dorn.

pear as scheduled at Douglas County hearings later this month, he would "exercise the chairman's perogative" against the firm.

Included in the hearings on 26 firms Friday were reports on the Journal-Star Printing Co., Star Publishing Co. and State Journal Co., represented by Lincoln attorney William Aitken.

The Journal-Star Printing Co., which prints The Lincoln Star and The Lincoln Journal newspapers, is jointly-owned, Aitken said, but the editorial sides of each paper are separate entities.

Aitken Explains

Aitken explained that the Journal-Star Printing Co. had terminated its commercial job printing business last January. He said the company's inventory of $169,448, reported at 76% of book value, and its furniture, fixtures and equipment, reported at $131,865, 70% of book value, represented the value of these items considering the factor of obsolescence in today's national economy.

Aitken said the Star Publishing Co. had amended its intangible tax return to include additional stock, as had The State Journal Co.

On other matters, Carpenter expressed concern over whether a truck and implement manufacturing firm could set its own value on trucks it distributes rather than using the value established by the state in this field.

Representatives of the firm contended they had done so on the basis that they were manufacturers.

Those interviewed at the final hearing were: General Electric Supply Co.; The Goodyear Tire & Rubber Co.; Goodyear Tire & Rubber Co.; International Harvester Co.; Western Electric Co., Inc.; Edward M. O'Shea; George Cook Construction; Commonwealth Electric Co.; Dobson Brothers Construction Co.; D. B. Equipment Co.; R. S. Proudfit Co.; DuTeau Chevrolet Co.; DuTeau Company, Inc.; C. C. Nebraska Mortgage Assn. Elects

Albert R. Stelling of Omaha was elected Friday as president of the newly-organized Nebraska Mortgage Assn. William Otis of Omaha was named first vice president.

The association was formally created at an organizational meeting at Hotel Cornhusker Friday afternoon. About 60 persons, representing banks and trusts; savings and loans; mortgagers, bankers and brokers; and life insurance groups, attended.

Stelling outlined the 4-fold purpose of the group as follows:

—to encourage among its members ethical business practices and methods in making, marketing and servicing real estate mortgage loans.

—to inform its members of changes of mortgage laws and as to pending legislation affecting the real estate mortgage business.

—to sponsor meetings for the discussion of real estate mortgage problems.

—to cooperate with public and private agencies in the establishment of sound real estate mortgage practices.

Other officers include Edward Kutilek of Omaha, second vice president; Lynn Cox of Lincoln, third vice president, and Charles Rasmussen of Omaha, secretary-treasurer. Also named to serve with the executive officers on the board of directors were Frank Shugrue of Lincoln, Bernard De Lay of Norfolk, Neil Hall of Lincoln and Hamilton F. Mitten of Fremont.

Saturday morning the group will hear a talk by Herman Ginsburg, Lincoln attorney, on problems effecting real estate and mortgage liens under Nebraska statutes.

Firm Incorporates

City and Farm Broadcasting, Inc., of Holdrege, formed to operate radio stations, filed articles of incorporation with the secretary of state. Authorized capital is $15,000 and incorporators were William C. Whitlock, Holdrege; Alvin D. Wood, O'Neill; Donald L. Robson, York, and Marvin F. Hall, Waco, Tex.

-Bloody Lebanon Crisis Continues-

Hopes Dim For Solution

Beirut (AP)—Hope of a quick solution to Lebanon's bloody 5 months of strife faded Friday with the failure to form a military cabient.

Armed Moslem demonstrations milled through the streets demanding that Rashid Karami, a Moslem remain premier of his half- Christian, half-Moslem nation.

Karami had paved the way for a military cabinet by placing his resignation at the disposal of President Fuad Chehab, a Christian.

Karami has now backed away from the military cabinet solution, which his faction endorsed Wednesday.

On the other side of the political fence, ex-President Camille Chamoun's National Liberal party has demanded a coalition government or a cabinet of neutral civilians.

U.S. Ambassador Robert McClintock called on Chehab for the 5th time in 9 days. McClintock has been trying to mediate in the crisis.

Truman Says GOP Created New Kind Of 4-H Club

'Privilege Policies' Criticized

Minot, N. D. (AP) — Former President Harry S. Truman said Republicans had created a new kind of "4-H Club"—high prices, high taxes, high unemployment and high interest rates.

Addressing a Democratic party rally, Truman criticized what he termed Republican special privilege policies. He said Republican farm programs were designed to exploit the economy for the benefit of the privileged few.

"The Democrats have all the issues in this campaign," Truman said. "The Republicans have given them to us. The chickens have come home to roost in the past year."

At a news conference preceding his talk, Truman said that whenever a man went wrong in his administration, the man was fired or prosecuted.

'Give Him Medal'

"When a man goes wrong in this Republican administration, they give him a medal and a letter of recommendation," Truman added.

"Just another Republican lie" he shot to a reporter who asked him about Republican claims the Truman administration allowed space age development to lag. Truman said he set up the idea for guided missiles in this country, the Republican administration threw his plans "out the window," and the GOP then laid the blame on him when Russia sent up its Sputniks.

Told that a Republican "truth squad" plans to follow him to Minot, Truman said, "I hope they do, because they've never told the truth yet."

In his rally speech, Truman said the special privilege policies of the Republican administration hurt people where they felt it most—in their wages, incomes and family budgets. He said the Eisenhower administration has been pursuing special privilege policies since the first day it was in office.

Hands Tied

He said Democratic Congresses tried to halt cutting of price supports but the hands of Congress were tied by presidential vetoes of two farm bills in 3 years. Administration threats of deep slashes in cotton and rice acreage, he said, pressured Congress into giving Secretary of Agriculture Benson new price-cutting authority.

He said the new farm bill gave Benson power which "go a long way toward the destruction of agriculture as we know it." The Benson theory Truman said, would put farmers back under control of the commodity exchange.

"These theories brought you 30-cent wheat in the depression, and they may do it again, unless you do something to stop them," Truman said.

'Parades' By The Thousands

Beginning its journey toward the homes of thousands of Sunday Journal and Star subscribers is PARADE Sunday supplement. Larry Hardt (left) and Frank Jordan are "stuffing" PARADE into the Sunday comic sections before presses roll late Saturday night and early Sunday with the news sports and women's sections. The new 8th section of The Sunday Journal and Star, PARADE is a multi-colored rotogravure Sunday newspaper supplement with 9 million circulation in 62 newspapers across the country.

Tot Kidnaped, Abandoned Near Home

Philadelphia (UPI)— A kidnaper stole 16-month-old Linda Stiver from her crib Friday and then abandoned her in weeds in the backyard of a vacant house 3 doors away.

The child, unclad and with lacerations of the head and mouth, was found by policemen summoned when the mother, awakened by the pain of a toothache, discovered Linda missing.

The whimpering child was treated at Hahnemann Hospital and returned to her home.

The abductor, who had left no ransom note, scattered items of Linda's night clothing along the route of the brief flight. He worked silently, for the girl's parents, two brothers and two sisters and a dog were not awakened.

The mother, Elizabeth, 31 said she fed Linda in her crib on the first floor and went back to bed. She woke up two hours later to treat her aching tooth and found a window screen out. A hasty search revealed that Linda was missing.

CARMICHAEL

Mass In Moscow

Moscow (UPI)—A requiem mass was held for the late Pope Pius XII by a small congregation of Roman Catholic Russians at the church of St. Louis de Francaises, Moscow's only Catholic Church.

The congregation, headed by Vicar Joseph Butorovitz, falls within the diocese of the Bishop of Vilna. The diocese has no organic ties with the Vatican, with whom the Soviet Union has no diplomatic relations.

U.S. Rescues 131 Relatives Of Commies

Taipei (AP) — The U.S. 7th fleet put an airlift into operation and rescued 131 passengers whose ship ran aground after leaving Red China.

"When human life is at stake we make no distinction in political beliefs," Vice Adm. Frederick N. Kivette, 7th Fleet commander, said.

The flagship, the heavy cruiser Helena, dashed across the South China Sea from war exercises off the Philippines to the Nationalist-held Paracel Islands for the mercy mission on a plea from the stranded craft, the 3,405-ton Hoiwong, flying the Norwegian flag.

The Hoiwong, outbound to Singapore from Red Swatow on Formosa Strait, had run aground on bamboo reef in the Paracels, 420 miles southwest of Hong Kong. The hull was punctured and the No. 2 hold flooded. Heavy seas battered the ship.

U. S. naval headquarters here told of the rescue:

Two helicopters handled the transfer, flying above heavy seas that precluded removal of the passengers by routine methods. Two Hong Kong tugs had failed in an effort to float the Hoiwong. A freighter stood by helplessly.

Most of the passengers were women and children en route to their homes, in Singapore and elsewhere, after visiting relatives on the Communist-ruled mainland. But any ideological differences were brushed aside.

Sailors broke out ice cream and candy for distribution to the children as they landed on the cruiser and showed them cartoon movies.

POLICE ARREST LINCOLNITE WHO ADMITS THREAT TO IKE

Lincoln police are holding a 36-year-old Lincoln man who they say has admitted mailing a threatening post card to President Eisenhower.

The man, reportedly a former mental patient, is being held for Secret Service and postal authorities. He was arrested at a downtown tavern after he reportedly had been "bragging about Communism."

After questioning police said he admitted sending the post card to the President June 25. Secret service officials had notified local police of the post card only Wednesday.

The card contained abusive language and also a threat to kill the President.

World Of Medicine

By WILLIAM O. DOBLER

Most of us have been a little skeptical of some of the TV commercials which try to sell you a certain drug or remedy by way of soothing words from a man in a white frock. The purpose of the frock is to give the impression that the man giving the commercial is a medical doctor.

Appearance Of Real Thing

As a general rule, such is not the case and the individual is nothing more than a professional actor assuming the role of a physician. Most of the time, the self-styled physician is pictured in a serious way — a pencil in hand which he uses to point out certain salient facts found on a chart or looking up just after diagnosis of the patient's illness. All of these little props are added just to give the commercial that much more of the appearance of authenticity.

While most people probably never believed the fellow giving the commercial was actually a doctor, the whole thing still peeved the medical profession, and with justification. Consequently, after Jan. 1, the networks will stop using actors made to look like doctors in commercials.

But according to the New York County Medical Society, the profession now faces a different problem. It seems as though the agreement in regard to the use of actors as doctors neglected to say anything about the use of doctors as actors. Apparently there has now been consideration by both the networks and some doctors to the appearance on TV for commercial purposes of bonafide members of the medical profession.

★

Of course, such a thing is not very highly thought of by most doctors and definitely frowned upon oy the New York society. It is hoped that the society wins its point in this case. Not that it would eliminate TV commercials, but the professional medical pitch in them has always been irritating.

There is another phase of the world of medicine that has us just a little bit upset. Not long ago, a safety expert recommended against brightly colored medicines and pills. He based his recommendation on the fact that the medicines are too attractive to children when so colored.

★

The difficulty with that is that the coloring also makes it easier to get the stuff down the children when they need it. A good taste helps a lot but oftentimes you can't even get to the point of taste with a child. If the stuff looks repulsive to the child, there is no getting it past his lips.

The safety expert is right in that the bright colors will attract the children, making it all the more probable that they will get hold of and drink something that could be very harmful. Now if they could just figure out a substitute for color that would induce the children to take what they should, we would be 100 per cent for them.

In a more serious area of medicine, E. J. Faulkner, president of Woodmen Accident & Life Co. of Lincoln, spoke in Chicago to other insurance executives about the rising cost of voluntary health insurance programs. Unless something is done to check this rise, he cautioned, voluntary health insurance may soon be priced beyond the reach of substantial numbers of Americans. Here is a serious problem for both the insurance and medical profession, for it will take a joint effort to meet the problem of mounting costs of medical care.

Priced Out Of Reach

Despite great advances in methods, facilities and medication, the cost of meeting an illness has gone up and up. Faulkner cited one health insurance program in which the premiums have gone up 42 per cent in the past year. This seems to be one area of need where the number of problems still surpasses the available answers.

The Billboard Battle

We all remember the fight in Congress over billboard advertising along the highways. Sen. Roman Hruska of Omaha was a leading figure in the losing battle to let the advertisers take over new highway right-of-way. But now a new controversy involving the billboards has cropped up.

Republican State Central Committee Chairman Richard E. Spelts of Grand Island attacked Democratic candidates for failure to put their party affiliation on such advertising. It's a bit of information the public is entitled to have, Spelts affirmed. But now, according to Clair Callan of Odell, Democratic candidate for the House from Nebraska's First District, the highway signs of his opponent, Phil Weaver of Falls City, do not carry Weaver's Republican party affiliation.

Well, maybe in the end it's just as well and we are not so sure that Spelts had much of a point. It is doubtful that the issue means much of anything in the over-all survival of the two-party system. The candidates are labeled according to their party on the official election ballots and the people seem to have had little difficulty in past years figuring out who the Republican candidates were.

It seems more important, too, for the public to know what the candidates stand for rather than what their party affiliation is. There can be bad apples on both sides of the fence and we have never seen a label yet that could change a man's character. As a matter of fact, there are too many people who would use any label if it served their purpose.

He Didn't Say

Agriculture Secretary Ezra Taft Benson has come and gone from Nebraska.

Some of the state's uncertain Republican candidates failed to appear at the Tekamah corn picking contest where Benson was principal guest. Others did show up to receive his public blessing.

But Nebraska turned out in terms of several thousand to perform the responsibilities of gracious host, paying due respect, if not to the occupant, at least to the high office.

Mr. Benson disposed of his responsibilities by calling black white and implying that a vote for any Democrat will hasten the socialist state by that much.

The real concern of the day and the interest of most of his auditors would much more have preferred to hear from him some believable justifications for some things upon which our ultimate security really depends, for instance: (1) the nation's misfiring missile and outer space program, (2) the diplomatic routs in the Middle East and elsewhere in the world where Red victories are altogether too visible, (3) the agonized maneuvers over Quemoy and Matsu (4) continuing inflation and the weak market position of government bonds, (5) an incredibly huge national budget, (6) the dangerous social warfare between labor and management and segregationists and desegregationists, (7) the end of Red-hunting in goverrment, replaced by congressional hunting of high placed Republicans, peddling favors to special clients, and (8) a farm program that has vastly increased its surpluses and its expense while complicating the economic problems of the crop producer.

His bloody shirt cry of socialism at the very thought of him losing his job to a Democrat doesn't jell against a rival party which in its 20 years rescued the nation from a depression, guided it to victory in a global war and closed down its long administration with far more wealth and power in the hands of private business, banking, industry and agriculture, plus a world position in behalf of capitalist democracy that made Red Russia pale at the thought. Mr. Benson should have explained what has become of that lead and leadership in six short years.

Exploring Space Teamwork

From The Christian Science Monitor

We are now in the second year of the Space Age—and most of us are taking it quite comfortably! We were jarred a bit when we learned that on October 4, 1957, Sputnik I was circling over our heads. In the United States at least quite a few people were jolted into sharper thinking about Soviet science and America's missile lag.

The shock carried through to a $6 billion increase in the defense budget. A civilian space agency has been established and new appreciation (still inadequate) of basic research has been stirred. Also Congress has set in motion the first general aid-to-education program to promote the study of natural science, mathematics, and foreign languages.

The United States has also answered the Soviet earth satellites with orbiting rockets of its own. They have been much smaller—indicating inferiority in missile-launching power—but three of them are still aloft (as against one sputnik now surviving).

But no one doubts that exploration of space will now be pushed with fresh interest and hope from many angles. And already foresighted folk are thinking about uses of space which can help mankind—if hateful and warlike thinking can be overcome. Plans have been offered to have the United Nations shape controls for peaceful and cooperative developments in space.

The dangers of conflict are hardly more obvious than the advantages of teamwork.

Already talk is heard about the "invasion of natural airspace." Does the three-mile limit apply upward as well as outward? Cooperative use of space could soon vastly improve weather forecasting and could permit worldwide television transmission.

Successful demonstration of continued cooperation among scientists working on space developments could have similar results. The project deserves informed and earnest support from the public. Those manmade moons are circling up there. Like it or not, we are in the Space Age.

Adams Departure An Aid To Nixon

WASHINGTON — One of the most interesting aftermaths of the Sherman Adams' exit has been carefully noted by the politicians but not by the public. It is the fact that the two most powerful opponents to Vice President Nixon inside the White House are now on the outside looking in.

They are Adams and Harold Stassen.

These are the two men who tried to block Nixon's renomination in 1956—Stassen publicly and Adams privately. It was Adams who also took the hurried flight to Denver after Eisenhower's heart attack in the fall of 1955 to work out the arrangement whereby Nixon would not take over the reins of the Presidency. They were left in the hands of Adams, Secretary of the Treasury Humphrey, John Foster Dulles, and other members of the cabinet.

Earlier this year, Stassen resigned from the administration and went to Pennsylvania to run for governor, where Republican leaders cut him down in the primary. More recently, Nixon's second opponent inside the White House, Adams, was forced to resign.

Now Nixon has a clear field to himself for 1960—unless Nelson Rockefeller becomes governor of New York.

☆ ☆ ☆

One thing most Democrats don't know about their senior senator, Theodore Francis Green of Rhode Island, now ninety-one years old, is that the White House has carefully cultivated him—until last week. General Bobby Cutler, when secretary of the National Security Council, called Green "Uncle Theodore" and went out of his way to butter him up. So did Sherman Adams. Green is the chairman of the Senate Foreign Relations Committee, a position of power and respect. But when Green chided the administration over its dangerous position regarding Quemoy and Matsu, all bets were off. Ike cracked down on him as if he had never heard of "Uncle Theodore" . . . latest Washington wisecrack: "Have you heard the report that Eisenhower may succeed Sherman Adams?"

☆ ☆ ☆

Handsome Premier Karamanlis of Greece was giving a state dinner for Premier Harold Macmillan of Britain. Their two countries have almost been at daggers' points since the dispute over Cyprus, and Macmillan had come to Athens to try to improve relations. Karamanlis was equally anxious that the state dinner contribute to better friendship.

In honor of the British prime minister, Madame Karamanlis decided to use for the first time the beautiful silver set given the Greek government by Colonel Nasser, president of Egypt. During the dinner everyone admired the silverware. It was a great hit.

But unfortunately, one Englishman read Arabic. Picking up a silver plate he read aloud the Arabic inscription:

"Down with British colonialism."

Nixon Plans To Work On Wyoming

CHEYENNE, Wyo. — Republican claims that Senator Frank Barrett will easily win re-election are subject to examination in the light of the fact that Vice-President Richard M. Nixon will take many hours of his valuable time to speak twice in the state for Barrett.

It may be that the closing weeks of the campaign will see a more concentrated GOP effort to nail down congressional seats already held and let the rest go with the trend. For each day persistent effort of a Democratic trend from Maine to California is accumulating.

Wyoming Democrats ask why their state should be an enclave in the midst of the national sea of pro-Democratic sentiment. Republicans have no answer to that except to insist it is so.

That the Barrett challenger, Gale McGee, is the underdog is widely admitted. McGee, a professor of history at the state university, disputes it and believes he is materially helped by the great silent issue of the campaign—the question of war or peace in the Formosa straits. He reports that it is the first question asked him even in small town sidewalk conservations and it of course lies in his chosen field.

☆ ☆ ☆

It has always been true that Wyoming politics is very much a matter of individual contacts. In Wyoming the cows, sheep and now oil wells cluster thickly, the 300,000 people are spread thinly among the great open spaces and lovely mountains. It is possible for the candidates for governor, Senate and the House—the one congressman must run at large—to know nearly all the voters and voter reactions a degree unknown in other states.

The congressional outcome may be affected by the fact that the statehouse race is felt to be a dead heat between an attractive incumbent, Governor Milward Simpson, and an attractive challenger, Joe Hickey. This could help Democrat Ray Whitaker in his race against representative Keith Thomson — a contest about which strong opinions are currently lacking.

☆ ☆ ☆

Special interest attaches to the Nixon visit because Wyoming is in the area of one of the major controversies over his political ethics. In 1954, the vice-president undertook to keep the Senate Republican by vigorous campaigning in the mountain states which are not well understood and scantily reported in the centers of communication of the North, East and West coast.

His targets, Senators Neuberger of Oregon, Murray of Montana and O'Mahoney of Wyoming, survived. But they felt then and still do, that Nixon conveyed imputations of treason with his soft-on-Communism charges. They do not forgive nor forget. The vice-president has defied them successfully to produce the written record; they can't, but they know what impressions they and their neighbors got.

A THOUGHT FOR THE SABBATH

Stories Of Famous Hymns

Into My Heart

Into my heart,
Into my heart,
Come into my heart, Lord Jesus;
Come in today,
Come in to stay,
Come into my heart, Lord Jesus

★

By HORACE B. POWELL

Some of Christendom's most precious evangelistic songs were born in revival meetings, inspired by moving spiritual experiences.

The prayer-hymn, "Into My Heart", was so inspired. Its words and music were written by Harry Clarke, an evangelist and song leader who at one time was associated with the great revivalist, Billy Sunday.

The inspiration for the hymn came to Mr. Clarke one night while he was praying with a young friend he was seeking to win to Christ during a spiritual service in Pennsylvania. The young man had come to the altar at the front of the meeting hall. Kneeling there with Mr. Clarke he confessed to the evangelist that he never had learned how to pray. Mr. Clarke suggested that he open his heart to Christ and let the Saviour take complete control.

Then, the young convert began to pray very earnestly and he cried out: "Oh, Jesus, come into my heart today, and come in to stay".

Moved by the prayer appeal, the evangelist decided to preserve its message in the chorus which Christians have come to know and love so well. He began to write at once and finished his work so quickly that his lines were ready for singing later in the same meeting which inspired them. And as a result of the singing, it is said, many other souls were won for Christ that night.

University News

Lincoln, Neb.

To the editor of The Lincoln Star: I am a student at the University of Nebraska, and I feel that it is time for a change in your newspaper policy. Since I have been at the university, I have observed that not once has your newspaper come to the defense of or published anything but trash concerning the students at the university. The only stories I have read are ones dealing with students involved in liquor violations and other miscellaneous offenses . . . Nebraska fraternities and sororities are never mentioned unless they have cut down a tree, painted a sidewalk, or started a riot.

You overlook everything which is decent and worthwhile at the university and you give the citizens of this city and state a completely distorted view of their university. You are persecuting the entire student body and blackening the character of the school because of the microscopic minority who constantly make fools of themselves and are bound to be found in any group as large as the university.

What about the rest of the student body and their service to the community and state? What of the men who staff the athletic teams? Who put on your halftime entertainment at the football games, rain or shine, while you sit in your cozy press box. Who punch your tickets, bring your coffee and hot dogs and clean up your mess the next day? Who are there to help you if you become ill, and who serve you coffee and good manners at the Student Union following the game?

If it were not for the "sin-wracked, degenerate" student body, what would happen to Parents' Day, Homecoming decorations, festivities, etc.?

How many inches of your precious copy were devoted to student service organizations such as the A.U.F. (All University Fund) who spend their year collecting money for charity and other public welfare institutions? Were you interested to know, or did you take the trouble to find out how many other campus groups donate their time each year to civic and statewide projects?

And finally, gentlemen of the press, your prize target for mud-slinging — the Greek system! . . . Why is it that your front page never sports the accomplishments of the Greeks, such as the sponsorship given to foreign students, or the mountain of entertainment and labor donated each year by these groups to hospitals, orphanages, homes for the aged, and other charity institutions?

Do you believe that your reading public is so very naive as to believe the "old wives' tales" which you so diligently slave over? Do you think that the public really believes that Nebraska students are all "lushes," alcoholics, and thieves? Your purge of the student body in general and the Greek system in particular is a farce!

UNIVERSITY STUDENT

Editor's Note: The writer could not be a daily reader of The Star or he would know that many of the subjects he has mentioned as being overlooked frequently receive publicity. The writer might try to understand that this is a Lincoln daily newspaper, not a campus organ, and could not possibly cover the details of every event carried on by every group or organization at the university.

In a little less than two weeks, The Star has published 138 inches of news in 21 different stories, devoted solely to events and developments at the university of which all can be classed as favorable. Activities of students are covered frequently in many areas, particularly in the fields of athletics and scholarship. We make plenty of mistakes and undoubtedly miss things now and then that should be published, but neither the facts nor logic support the above letter.

Why Kill Doves?

Milburn, Neb.

To the editor of The Lincoln Star: Some of us seem to have an urge to kill. A few days ago a 16-year-old girl shot her brother and planned to kill her parents, because there was no excitement around their place. Charles Starkweather liked to kill. We killed the buffalo and Indians. Some kill for money but other kill just for sport.

Hunting used to be done with spears, bows and arrows and with rifles, but now we have shot guns. The shot can scatter a little and gives the game no chance. We call some birds "game birds," I suppose inferring that we are playing a game, but it is a one-side game.

Now, we would like to have more birds declared game birds so we can kill more. They are a real gentle bird that we could get without much trouble. We used to try to protect our quail. They were tame and would come around our buildings like domestic birds. We liked to hear them calling, but they are all gone now.

Do we want to kill all the doves? Can't we think of some other game to play without killing something?

Who Will Answer?

Lincoln, Neb.

To the editor of The Lincoln Star: Recently I read a booklet entitled "Fraud Incorporated" which was intended to be an expose of our city government, past and present.

I have wondered why somebody in our government has not chosen to answer these charges? Are they true or not? How can the voters decide, when nobody cares to defend himself? Does the truth hurt?

BEWILDERED

Editor's Note: We are going even this far in this matter with some reservation. The material referred to by the writer of this letter is so vicious, unfounded and fraudulent that The Star felt it would be a severe injustice to print it. The allegations made in this "booklet" are false and it would be beneath the dignity of anyone to lower himself by defending against them.

Catching A Few

Lincoln, Neb.

To the editor of The Lincoln Star: Why should the people of Lincoln be subjected to a wheel tax when there are over 20,000 autos per day running over our streets, not even registered in Lancaster county?

Many people drive into Lincoln every day to work coming from points just outside the city limits. Too many Lincoln people have their cars registered in other counties. Yet they have lived in Lincoln several years. Some business firms have large trucks and their place of business is outside our city limits.

Most of all are the University of Nebraska students. They reside in Lincoln over 9 months a year. Their cars are registered in their home counties. Lancaster officials should be doing something about this.

Butler Amazed At Nixon Charge Of Corruption

. . . Demo Reviews V.P.'s '52 Fund

Washington (AP) — Paul M. Butler, Democratic national chairman, said he was amazed and shocked at Vice President Richard Nixon's statement that the Truman administration was one of the most corrupt in history and that Republicans had made good their pledge to clean up the mess in Washington.

Nixon made the assertion in a speech in Columbus, Ohio. He said the Sherman Adams case was no parallel at all to wrongdoings he said occurred under President Truman and suggested people in glass houses had better not throw stones.

"If ever there was a case of a greenhouse inhabitant tossing brickbats at his opponent," Butler said in a statement, "the case of Mr. Nixon talking about corruption is one."

Personal Standards

Butler reviewed at length details of Nixon's private campaign fund in 1952 in discussing what he called the Vice Presideet's "personal standards of conduct." Then he added:

"Now what about the administration he warns Democrats against attacking? More heads of more government agencies in the Eisenhower-Nixon administration have been involved in wrongdoing and corruption than in any administration since Grant's.

"If Mr. Nixon wants to talk about corruption, let him talk about Sherman Adams' gifts from Bernard Goldfine and the favors Adams did for Goldfine . . . .

"The scandals of the Eisenhower administration would never have been uncovered without a vigilant Democratic Congress. The Eisenhower administration has shrugged all of this wrongdoing off without prosecution or even a reprimand. It is not likely to do any better in the next two years."

Crack-Down Asked

Washington (UPI) —Democratic national Chairman Paul M. Butler called upon GOP Chairman Meade Alcorn and the Fair Campaign Practices Committee to crackdown on what he called "smear" material on behalf of GOP candidates in Wisconsin.

He told Alcorn and committee Chairman Charles P. Taft that the material was included in a "second pamphlet by the notorious Joseph P. Kamp." Democrats recently complained about the use of a Kamp pamphlet in California.

Butler demanded a prompt investigation by the committee, which was set up to ride herd on campaign practices.

Jail Term

Kamp, an extreme rightwinger, once served a jail term for contempt of Congress for refusing to surrender certain records to congressional investigators.

In his telegram to Alcorn, Butler said he knew Alcorn was eager "to keep the campaign focused on important issues and I know you would not want it to deteriorate into a debate as to whether a Republican vote is a vote for Joseph P. Kamp."

"For this reason," he added, "I know you will want to issue a prompt repudiation of this latest use of Kamp material and a vigorous condemnation of the Kamp material and all who use it or benefit from it."

Finds It Good

Pittsburgh (AP) — Vice President Richard M. Nixon took a look at the status of the American workingman and found it good.

Manufacturing employment is climbing, wages are high and real income has improved, Nixon told an enthusiastic Republican rally.

"We have pulled out of the recession, are having a good year in 1958 and are on the way to the best year in our history in 1959," Nixon said.

This so-called pocketbook issue will help lead the GOP to victory in the November elections, Nixon predicted.

Making his 2nd appearance in 3 days in Pennsylvania to boost the Republican statewide candidates, Nixon spoke to a full crowd of about 3,800 at Syria Mosque.

Benson's Visit Helped Brock, Says Demo Aid

Wakefield, Neb. (AP)— Secretary of Agriculture Benson's visit to Nebraska gained the Brock for Congress drive "more votes than any other single event that has happened in the campaign," Bill Lamme campaign chairman for Lawrence R. Brock, said Friday.

Referring to Secretary of Agriculture Ezra Benson's speech at Tekamah Thursday, Lamme said: "Benson's own words proved to Nebraska farmers and businessmen that Harrison (Rep. Robert Harrison of Nofolk) does not represent Nebraska, he only acts as a mouthpiece for Ezra Benson."

"The reason you make me do this all the time is you know I'm too lazy to run away from home!"

British Actress To Leave Prince

Paris (AP)—British Actress Dawn Addams announced "with great sadness"—that she has found it impossible to reconcile living with her husband, Italian Prince Vittorio Massimo, and her acting career.

She said in a statement to the press that her Italian lawyer filed suit in Rome for separation. She said she hoped, under Italian law, to obtain a separation under mutual consent.

"I tried to show my husband that one can be at the same time a good mother and a conscientious artist, but our totally opposed ideas only provoked a series of disagreements," she said.

The actress, who was married in a big Rome society wedding on April 29, 1954, said she hoped to reach an amicable agrement with the prince before the separation suit is heard next month. She indicated she will seek custody of her small son, "because a child always needs a mother."

Candidate Meets The Public:

Casey Faces Paradox

(Editor's Note: This is the fifth in a series of articles by The Star's political reporter, who is spending a day with each of the state's major political candidates.)

By Don Walton

Democrat Francis M. Casey faces a voting paradox in his uphill struggle to represent Nebraska's Second District in Congress.

In a 5-county district which is controlled by Democratic-registered Omaha and which contains most of Nebraska's Democratic labor union workers, you'd think Casey would be favored to drop Republican Rep. Glenn Cunningham.

Add to these factors what appears to be a sweeping national Democratic trend and you might tab Casey a sure winner.

But he isn't.

He is least likely of all top Nebraska Democratic candidates to ride to victory on the crest of a Democratic tide.

Why?

Because his opponent has corralled strong Democratic support in the district, won the endorsement of Democratic labor chiefs and draws upon the advantage of a name long in the public eye in Omaha.

★ ★ ★

Francis M. Casey

Candidate: Second District congressman.
Party: Democratic.
Age: 48.
Family: Married, one child.
Profession: Attorney.
Education: Omaha University, OU Law School.

CASEY . . . confers in Blair with Washington County Democratic Chairman Walter Huber.

2-Phase Campaign

Casey, grey-mustached, 48-year-old Plattsmouth attorney, has mapped a two-phase campaign strategy to overcome Cunningham's initial edge.

Television and signs are, he believes, the key to victory.

First, come the signs—more than 300 of them, saturating highway roadsides, telephone poles and lawns over his populous district.

They are designed for one purpose: acquaint voters with his name.

Then, comes television—some 300 spot announcements coupled with a 15-minute noontime appearance every Sunday until Nov. 4.

Many Appearances

Sporting a bright bow tie, Casey also makes the usual

appearances at Democratic meetings and at any large gathering of voters.

Another paradox in the Second District: Casey proudly pronounces his party affiliation, hoping to recover Democratic votes which in the past have strayed to Cunningham.

Meanwhile, his Republican opponent advertises without party affiliation.

Elsewhere throughout Nebraska, the tables are turned on that score.

Casey figures he will win if he can break even in huge Douglas County.

In the May primary election, Democrats gathered nearly 11,000 votes in the congressional contest, while Republicans counted nearly 15,500, Cunningham racking up 12,460.

Casey will be out to better that record.

4 Counts

The Democrat meanwhile continues to challenge Cunningham on 4 counts:

—"How can he reconcile his position as a Taft Republican with his stand in seeking endorsement of labor?"

—tell labor how he stands on the right-to-work law and reveal how much money he has received from labor for his campaign.

—appear on the same platform with Casey to debate the issues.

—"And, most important, come out flatfootedly and say whether or not he proposes to run for mayor of Omaha two years from now.

"Is this just an interim job for Cunningham? He would merely be a lame duck.

"Seniority is the big thing. No one from this district has made a career of being congressman of late.

"I propose to be a congressman with seniority and not use the position as a stepping stone to something higher."

Little Correlation Between Teacher Qualifications, Pay

There is little corrolation to show that teacher training and experience affects the salaries paid Nebraska's rural school teachers, the Nebraska State Education Assn. said Thursday.

The Assn. said the average salary for rural teachers is less than that for city and village teachers.

These statements were contained in a report to the Association's Committee on Rural Education, recently completed by Dr. Archer Burnham, NSEA research director.

Rural salaries are inconsistent with the salary schedules adopted by most city and village schools, since city and village schools generally contain added increments of pay for both salary and experience, the report said.

In 1 teacher schools there is little relationship between salary and training, it said.

According to the report, the rural teacher with 2 years of college receives on the average $8.70 per school month more than the teacher with 1 year of college.

The rural teacher with 4 years of college receives $26.82 per school month above the salary paid to teachers with 2 years of college and receives $11 per school month more than the teacher with 3 years of college, the report said.

Experience also has little significance, the report continued.

It said the rural teacher in her 10th year of teaching is paid $4.60 more than the teacher who is in her 5th year, the rural teacher with 5 years of experience is paid a bonus of $5 a year to teach her 6th year.

She actually takes a cut of $11.96 a year if she teaches a 7th year and a further cut of $25 if she goes through the 8th year, the report said.

If she sticks for the 10th year as indicated above, she will receive $4.60 more than she got during her 5th year.

State's Highway Traffic Load Down

Nebraska highway traffic in September was 4% less than the same month a year ago, the State Department of Roads reported.

Compared with August, however, the September traffic volume showed a 6% increase. For the first 9 months of this year, volume was 2% lower than for the same period last year.

The calculations are derived from strategically located traffic counters over the state.

The department also reported that 47,491,458 gallons of motor fuel upon which taxes were paid were imported into the state during August.

The total was a decrease of 1% compared with August of last year, and the first 8 months of this year also showed a decrease of 1% from the similiar period a year ago.

Lincoln Fire Protection Not Kept To One Week

By Del Harding

Although the nation is currently observing Fire Prevention Week, Fire Chief Paul Feaster says fire prevention in Lincoln is a year-round affair.

PAUL FEASTER

Feaster noted that 23,084 local residences and business firms were inspected for possible fire hazards by his men last year. This year 12,303 residences were inspected and the inspection of commercial buildings is still under way.

Feaster inaugurated the annual inspection program in 1956, and since then yearly inspection of city residences in addition to quarterly inspection of the commercial buildings has been carried on by firemen in addition to their regular work of fighting fires.

The most common fire hazard found has been overfused fuse boxes. Unsafe wiring has proved the next most common hazard locally.

More Doors Shut

Although co-operation on the whole has been good, Feaster said he is disappointed at the steadily increasing number of Lincolnites who refuse admittance to firemen on inspection duty. The number has climbed from 1,198 in 1956 to 1,626 in 1957 to 1,822 this year.

The chief said he believes this may be due to a belief by the residents that yearly inspection is unnecessary. But he said the National Board of Fire Underwriters recommends annual inspections rather than inspection every two years.

The NBFU Fire Prevention Week bulletin noted that 11,300 persons died in fires last year and for the first time in history property losses exceeded $1 billion. Lincoln recorded no fire deaths and a property loss of $351,776.71 (or about $3 per person).

Prospects for reduction of fire losses in Lincoln appear bright.

New Engine Added

Feaster said he believes that when the new 17th and Van Dorn fire station is put into operation early next year the city will have the best fire coverage ever. The recent purchase of an improved model fire engine, addition of 5 men to the department and an improved chain-of-command are other factors which Feaster believes will boost fire fighting efficiency.

Feaster said local theaters, radio stations and the television station took part in observance of Fire Prevention Week, which ends Saturday. No special programs, however, were planned for the schools, he said.

Callan Says Weaver Talk 'Pretty Weak'

Lincoln Star Special

Odell, Neb. — Democratic Congressional candidate Clair Callan said Friday that "Phil Weaver knows that I do not condone rackets and corruption in labor or any other place."

He charged that Weaver, his Republican opponent, was using "pretty weak campaign oratory."

Callan said he did not invite Jake More (Iowa Democratic figure whose daughter is married to a Teamsters official) to the Omaha midwest Democratic conference. The Democratic candidate added, "I doubt if Weaver knew Bernard Goldfine and Sherman Adams were in the 'vicuna' business."

Weaver "still has not justified" his vote against the Kennedy-Ives labor reform bill, Callen charged, adding that he still solicits "the support of the men and women of organized legitimate labor." He also added that his campaign contributions "are open for inspection by Weaver or anyone else."

Kimball Counts 19th Discovery

Kimball, Neb. (AP)—The 19th oil discovery of the year was chalked up in Kimball County when Tom Palmer and Northwest Producers ran production casing on the No. 2 Linn-Nugent.

A drill stem test in the J sand from 6,529-74 feet recovered 1,305 feet of oil and 2,140 feet of water in two hours. The well is 7 miles west of Kimball and a mile south of the lane discovery.

5.6% Of Rural Land Found In Non-Farm Uses

Deputy State Tax Commissioner Wilber Houtchens told a legislative committee Friday that approximately 5.6% of all Nebraska rural land is used for non-farm purposes.

In an appearance before the legislative study committee on sales and income tax, Houtchens testified the present total value of all rural Nebraska lands and improvements amounted to $3,431,103,249. He said the estimated value of rural lands used for non-farm purposes totaled $193,171,110.

Houtchens had the information drawn up at the request of the committee, headed by Sen. Norman Otto of Kearney. This is the first time such data has been compiled in Nebraska, Houtchens said.

The committee said it desired the information in order "to see who pays the property tax in Nebraska."

Houtchens said 62 counties out of Nebraska's 93 had supplied the information and that his office estimated values for counties not reporting.

Douglas County reported a total rural land value of $20,577,230 and a valuation of non-farm rural lands at $72,010,750.

The committee said it was surprised to learn that Dodge County reported the valuation of its non-farm rural lands at $7,877,340 compared to an over all rural land valuation of $85,074,385.

Michigan Tax Studied

Gage County, considered average by the committee, reported valuation of non-farm rural lands at $4,977,980 and that of all rural lands at $81,726,245.

The committee also discussed ramifications of Michigan's so-called added value tax.

The Michigan tax is assessed on the value added by a manufacturer to his product beyond his cost in producing the item.

Specifically, it is a tax based on the difference between the value of the finished product and the cost of the raw materials going into the item.

The committee discussed recommendations for presentation before the combined membership of the legislative council meeting here Nov. 18.

Delayed Sentence

Tokyo (UPI)—The Tokyo District Court sentenced two U.S. servicemen to long prison terms for assaulting a Japanese taxi driver almost two years ago.

Airman Donald L. Bullard, 19, of Colorado City, Tex., and Seaman 3-C Lowell R. Wilson, of Santa Maria, Calif., were sentenced to 3½ to 4 years in prison at hard labor. They had until Oct. 23 to appeal.

The two were convicted of beating the taxi driver with beer bottles and fleeing without paying a $2.78 fare in Nov. 1956.

Hospital Group Plans Eminent Domain Study

...Designed To Aid Expansion Problem

Omaha (AP)—The Nebraska Hospital Advisory Council decided Friday to make a thorough study of its authority and role in the power of eminent domain for hospital expansion.

The study was suggested by Edward Shafton of Omaha, who was named chairman of a 3-man committee by Dr. E. A. Rogers of Lincoln, council chairman. Other members will be Francis Bath of Omaha and Dr. Carl Amick of Loup City.

Shafton said acquisition of land for expansion has become critical for many non-tax-supported hospitals, and added many medical agencies are interested in giving these hospitals the same power to acquire land that the tax-supported hospitals have.

The committee will work with the attorney general's office and Director Verne Pangborn of the State Hospital Division.

Bath, administrator at St. Joseph's Hospital in Omaha, said the Nebraska Hospital Assn. undoubtedly will take up the matter at its annual meeting here Oct. 23-24.

A delegation of 8 board members of Goodwill Industries, Inc., of Omaha and doctors appeared before the hospital council concerning use of federal funds.

It was decided Goodwill Industries will make a formal application for federal funds to help pay for its new center near the Douglas County Hospital.

Good Chance Seen

Dr. Rogers said there appears to be a good chance that Goodwill would be eligible for funds under its work evaluation program.

That portion of Goodwill's work which is under medical direction would be eligible.

The council said it will consider applications next June from the state's hospitals for federal funds for construction. It asked that applications be made by May 1. Pangborn reported a carryover of $18 million in requests from this year's allocations.

Creighton Student Is Nurse Of Year

Omaha (AP)—Presentation of awards for district news letter publications was a highlight of the closing session Friday of the Nebraska Nurses Assn.

Sister Nonan

The awards went to: Mrs. Lena Wendell, Omaha; Mrs. Eva Yates, Scottsbluff; Mrs. Jean Moul, Hastings; Mrs. Ruby McArthur Lincoln, and Miss Ruth Mussmann, Grand Island.

Nate Holman, Lincoln, attorney for the association, advised the members that no matter how cantankerous a patient may become, a private-duty nurse just cannot walk out on him.

Speaking on the responsibilities of nurses, Holman said nurses and doctors must be released from their responsibilities by the patient.

Earlier Sister Mary Paschala Nonan, studying journalism at Creighton University, was chosen Nebraska nurse of the year.

She was maternity supervisor at St. Catherine's Hospital at McCook before enrolling at Creighton.

Charges Filed In Fairbury Fatality

Fairbury, Neb. — Motor vehicle homicide charges were filed here Friday against Arthur Rimpley 37, of Greenwood in connection with the death of 78-year-old Cassius W. Flower of Fairbury, according to County Attorney Melvin Moss.

Mr. Flower, a longtime resident of the Fairbury vicinity, lost his life in a two-car crash on the edge of Fairbury. The Greenwood man, driver of the other car involved, is hospitalized in Lincoln with cuts and bruises.

Meanwhile, services for Mr. Flower are scheduled for 2 p.m. Sunday at the Christian Church in Fairbury. His survivors include his wife, 3 daughters and two sons.

The Talk Around The Town

—band day, ball game, parties and a dozen and one things that comprise an exciting week and are with us today—We'll bow out on the bands and the game, but the parties and other matters that strictly are of a social nature are the ingredients for our particular dish of tea.

Before we delve into the homecomers and the courtesies, however, we want to pass on some news from the Bassinet crowd in Atlantic, Ia. We were told that Scott Norris Ross arrived there on Oct. 8. The baby's parents are Mr. and Mrs. Robert S. Ross and his mother is the former Nancy Norris, daughter of Mr. and Mrs. Ben Morris. Mr. and Mrs. Harold Ross of Mount Ayr, Ia., are the paternal grandparents.

* * *

—and from the deep, deep south,—Leesville, La., comes word of a new Delta Gamma legacy—Miss Sidney Ann Shainholtz, who arrived on Friday, Oct. 10. Miss Sidney Ann is the daughter of Capt. and Mrs. William E. Shainholtz, and her mother is the former Judy Wiebo, daughter of Mr. and Mrs. John Wiebe—and Delta Gamma at Nebraska. The young lady's parternal grandparents are Mr. and Mrs. W. E. Shainholtz of Omaha.

* * *

—now that the bib and bubble set has been taken care of for the nonce, we'll tell you that Dr. Raymond J. Pool is back in town from a week's trip as a member of a group that inspected crops through the west and southwest. Dr. Pool went first to Denver and Salt Lake City, then on to Phoenix and Tucson, Ariz., and on down to Nogales, Mexico. Dr. Pool it seems, was especially interested in the cotton crops between Phoenix and Tucson and at Nogales.

* * *

—the town is well sprinkled with out of town guests this week end and many of them will be attending dinner dances as the guests of this dancing club—or that.

The four guest couples of the Gay Nighters dinner dance this evening at hotel Lincoln, all are from out of town—The group includes Mr. and Mrs. Howard Jelinken of Manchester, N.H., formerly of Lincoln; Mr. and Mrs. Richard Hunter of Hastings; Dr. and Mrs. Jack Linch of Ogallala, and Mr. and Mrs. Colman Sheldon of Nebraska City.

* * *

— news from far away places, Athens, Greece, to be specific, tells us of the arrival of Christopher Boicos on Friday, Oct. 10. The young man is the son of Maj. and Mrs. Kosta Boicos, and his mother is a former Lincoln resident — the daughter of Mr. and Mrs. B. Frank Watson. You will remember, of course, that Mrs. Boicos is a Kappa Alpha Theta at the University of Nebraska of which she is a graduate.

Open House

Mr. and Mrs. E. J. Monhardt will celebrate their 25th wedding anniverary on Sunday, Oct. 12, at an open house held at their home.

Friends are invited to call between the hours of 1:30 o'clock and 5:30 o'clock without further invitation.

MADAM CHAIRMAN

MORNING

University Place YWCA, children's dancing classes.

AFTERNOON

Alpha Gamma Delta Mothers Club, 1 o'clock salad-sandwich luncheon at the chapter house.

Hannah Dustin Chapter, DAR, 1 o'clock luncheon at the home of Mrs. C. E. R. Edmond, 2828 Stratford.

Lancaster County Republican Women's Club, 2 o'clock at the National Bank of Commerce; board meeting, 1:30 o'clock.

Meetings Scheduled

The Alpha Gamma Delta Mothers Club members will meet for a 1 o'clock salad and sandwich luncheon Saturday at the chapter house.

Mrs. Maize Noble, chapter chaperon, will tell of her trip to Hawaii, and hostesses for the afternoon will be Mrs. Walter Harrold and Mrs. Clair Weatherhogg.

Officers of the club are Mrs. Walter Harrold, president; Mrs. Edwin Hart, secretary; Mrs. Clair Weatherhogg, corresponding secretary; and Mrs. Ernest Eitner, treasurer.

The October dinner-meeting of Fidelia Lyceum will be held at 6:15 o'clock Tuesday evening in the Zephyr Room of the Capital Hotel.

The program will feature a talk, "The Amendments", by J. G. W. Lewis. Hostesses for the evening are Mrs. Elizabeth Hook and Miss Grace Pohlenz.

The Junior Committee of Deborah Avery Chapter, DAR, will meet for a 1 o'clock dessert-luncheon Monday at the home of Mrs. Harry Meginnis.

The program will feature instruction on duplicate bridge to be given by Miss Barbara Jett.

The Lincoln Artists Guild will hold a workshop with model on Monday evening at 306 Morrill Hall. The workshop will begin at 7 o'clock and a short business meeting will be held.

Arrangements have been made for Guild members to participate in the Missouri Valley exhibition of oil painting, which substitutes this year for the All-Nebraska show.

Mrs. Kathleen Evans will preside at the monthly dinner-meeting of the Cornhusker Chapter of the National Secretaries Association to be held at 6 o'clock Monday evening at the YWCA.

The program will feature a film, "Journey For Miss Jane," to be shown by Mrs. Beth Christensen, and a panel discussion, "Dictation: The Give and The Take," which will be moderated by Mrs. Christensen. Speakers will be Miss Audrey Wheeler and Miss Louise Ward.

'Whozit' Quiz For Revelers

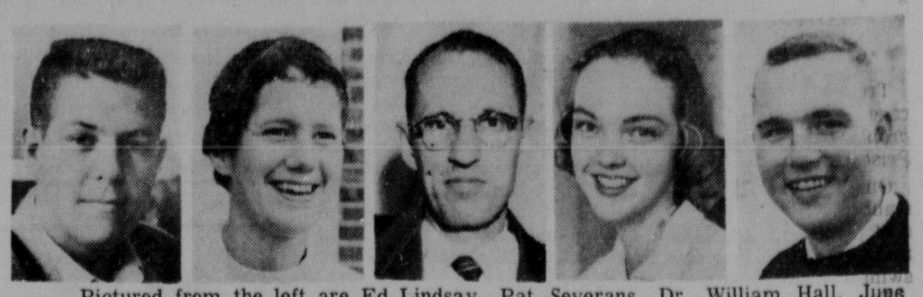

The all star cast of the Revelers Dancing Club and their guests dined and danced in the glamorous film land atmosphere on Friday when they held their Hollywood Party in the ballroom of the Cornhusker Hotel.

A highlight of the party was the "unmasking" of the talent twosome, a member couple about whom clues were posted throughout the evening. And, of course, the person first guessing the identity of the couple walked off with the prize.

Pictured are (from the left), front row, Mrs. Charles Edholm, Mrs. Walter J. Mitchell, Mrs. Don Albin, Mrs. D. M. Hunt, Mrs. Harry Miginnis, and Mrs. Robert Patterson; and, in the second row, Mr. Edholm, Mr. Mitchell, Mr. Albin, Dr. Hunt, Mr. Miginnis, and Mr. Patterson.

YOUR ANSWER?

How does college differ from high school?

Pictured from the left are Ed Lindsay, Pat Severans, Dr. William Hall, June Mehring, and Tom Schreiner.

Ed Lindsay of Grand Island

"The biggest difference between high school and college is that you have to study more; but then the week-ends are a lot more fun."

Pat Severans of Omaha

"My attitude has changed in that while I was in high school I felt that my teachers were always watching over me. Now I'm the one who has to watch out for myself and my time."

Dr. William E. Hall Professor of Educational Psychology and Measurements:

"A paramount difference between high school and university is responsibility. One of the most important achievements that freshmen must master is the acceptance of the fact that in university freedom comes from responsibility. University life is one in which freedom through responsibility is a must."

June Mehring of Columbus

"In the University the classes are more difficult but I like it because it's more of a challenge. The dorm is fabulous; it's wonderful getting to know so many people."

Tim Schreiner of Norfolk

"I've found in college that I not only have to study more but it's a much more concentrated study than that in high school. I'm also learning how to live in a community now."

The Star In Suburbia

PARK MANOR

Arriving in Park Manor today will be Mr. and Mrs. E. J. Sacilow of Anderson, Ind., who will spend a few days in Lincoln as the guests of Mrs. Sacilow's brother and sister-in-law, Maj. and Mrs. Joseph W. Allen.

And visiting at the Allen home this past week were Mrs. Allen's parents, Mr. and Mrs. Morris Stanley of Anderson, who returned to Indiana on Wednesday.

Also guests in our suburb this week were Capt. and Mrs. John Butler and their four children of Kansas City, Mo. The Butlers were guests of Capt. and Mrs. Flash Gordon, and they returned home on Wednesday after a four-day visit.

Hear that Mrs. Don Strasheim was honored at a baby shower and dessert supper on Thursday, Oct. 2. Hostesses for the informal affair were Mrs. Larry Connealy and Mrs. Dean Hoy, and the 16 guests were invited to the Connealy home for the evening.

Mr. and Mrs. Dale Stuart are the proud parents of a new son, Kurt Dale, who was born at Bryan Memorial Hospital on Thursday, Oct. 9. Kurt has one sister, Mariechen.

His paternal grandmother is Mrs. Frances Stuart, and Mr. and Mrs. Heinc Droege of Frankfort, Germany, are the maternal grandparents.

Speaking of newcomers, Mr. and Mrs. Robert Knapp and their children, Kevin, Duane and Maureen, settled in their new Park Manor home at 1825 E. Manor Dr. the middle of September.

Mr. and Mrs. Knapp moved to Lincoln from their former home in Denver.

Also making their home in our suburb the middle of last month were Mr. and Mrs. John D. Larson Jr., and their son, Steven. The new address for the Larson family is 6650 South.

PATRICIAN HEIGHTS

Introductions are in order this morning for Mr. and Mrs. Merle E. Giebenrath have just recently moved into their new home at 5430 Wilshire Blvd.

Younger members of the Giebenrath family include Pamela who is four years old and 18 month-old Douglas Bruce.

A birthday celebrant on Wednesday, Oct. 8, was Miss Mary Detmer, daughter of Mr. and Mrs. Don Detmer. In honor of her fourth anniversary Mary was hostess to six young guests, Roger and Barbara Holmstedt, Tammy and Ginger Reilley, Robbie Taylor and Rene Roessler.

While the young fry were partying Mrs. Detmer entertained their mothers, Mrs. Dan Holmstedt, Mrs. William Reilley, Mrs. Robert Taylor, Mrs. Rolland Roessler and Mrs. Albert Priess, at a morning coffee.

During the evening Mr. and Mrs. Detmer entertained at a birthday dinner for Mary, and on hand were Mrs. Detmer's mother, Mrs. Nina Moore and Mr. and Mrs. Dean Burcham.

Courtesies

A bride-elect of mid-October is Miss Ardeth Curtis whose marriage to William Robert Pospisil will be an event of Sunday, Oct 19. The ceremony will be solemnized at the Tilden Methodist Church.

On Sunday, Sept. 28, Miss Curtis was honored at a dessert luncheon and linen shower given by Mrs. Herman Reinwald. Thirty-two guests were invited for the afternoon affair.

Mrs. Joan Williams, Mrs. Kenneth Miller of Milford, and Mrs. Frederick Herbolsheimer were hostesses at a dessert supper given in courtesy to Miss Curtis on Monday, Sept. 15.

Dear Abby . . .

Horse Sense!

Abigail Van Buren

DEAR ABBY: Is this a problem? Our daughter is 12 years old and ever since she's been old enough to walk and talk she has had horses on the brain. She draws horses, plays horses, dreams about horses and talks horses night and day. We let her do a little riding but can't afford too much of it as we live in the city. Her ambition in life is to "break horses." Should we let her go on this way or can you suggest some way to distract her? MOM

DEAR MOM: My daughter was exactly like yours when she was 12. Last year (she is now 16) I took her to a horse show. She suddenly exclaimed, "Mother, isn't HE terrific?" I replied, "Yes, beautiful horse!" She looked at me in amazement and said, "Not the HORSE—the fellow who's riding him!" I knew then that she was normal. It will happen to you.

☆ ☆ ☆

DEAR ABBY: I like my husband as a friend but not as a husband. We were married when we were both very young and now he doesn't appeal to me like he did when we were first married. The man who sold me my new vacuum cleaner and all the attachments appeals to me like my husband used to when we were first married. Maybe I'm not making myself clear, Abby, but this vacuum cleaner salesman is in love with me and I'm in love with him. Do you think after 22 years of marriage, I'd be foolish to consider a change? MAE

DEAR MAE: A woman who would trade in her husband for a vacuum cleaner salesman (and all the attachments) is very foolish. Disconnect these silly notions and try to make the best of your marriage — before everybody gets sucked in!

☆ ☆ ☆

DEAR ABBY: I am a young woman of 24 and I stand five feet six in my stocking feet. I am going with a young man who is a few years older and he stands about five feet three. It is embarrassing to be seen with him even when I wear flats because he is so much shorter than I am. I have never met a man whose company I enjoy more and he has everything else a girl would want in a man. I have brought up the subject of elevator shoes but he passes it over as a joke and that's as far as I get. I wish he'd wear them because an inch or two would help a lot in his appearance. Should I insist on it or skip it?

TOO TALL

DEAR TOO: If the mention of elevated shoes does not get a "rise" out of your boyfriend, it means he has accepted the fact that he is what he is. He's already "elevated" himself above the average man. Appreciate him and skip it.

☆ ☆ ☆

DEAR ABBY: The wedding ring goes on FIRST because it must always be closest to the heart of the wearer. I thought everybody knew that.

Extension Clubs Meet

The members of the Busy Bee Extension Club met at the home of Mrs. John H. Tucker for a dessert luncheon and business meeting on Thursday. Mrs. Con J. Urbach, the assisting hostess, and Mrs. LaVern Rockenbach presented the lesson for the afternoon, "The Lady and the Law."

Mrs. John Stehr presided at the Thursday meeitng of the Tea Time Extension Club which was held at the home of Miss Helen Pearson. The lesson was presented by Mrs. Lester Vest.

New officers elected during the afternoon included Mrs. Mildred Young, reading chairman; Mrs. Lola Wise, heart; and Mrs. Nell French, civil defense.

Next meeting of the group will be held on Thursday, Nov. 13, at the home of Mrs. John Stehr.

Was Bride At Church Service

MRS. EDWIN WILSON

Autumn flowers in pedestal arrangements decorated the chancel of the Calvary Evangelical United Brethren Church Friday evening, Oct. 10, for the wedding of Miss Shirley Ann Schmidt, daughter of Mr. and Mrs. Elmer Schmidt, and Edwin Wilson, son of Mrs. Sudie Ford. The Rev. William Rembolt read the lines of the service in the presence of the immediate families.

The maid of honor and bride's only attendant was Miss Jane Schmidt of Omaha who wore a sheath frock of pink wool trimmed with matching satin. She carried pink carnations.

Marvin Wilson served his brother as best man.

The bride wore for her wedding a ballerina frock of white crystalette. A shoulder-wide neckline and bracelet sleeves accented the torso bodice, and the flaring skirt was completed by a back bow. Her short veil of illusion was held by a crown of pearls and sequins, and she carried a white Bible marked with a white orchid.

A reception was held at the Lindell Hotel.

The couple will reside at 400 So. 33rd. Mr. Wilson is a student at the University of Nebraska.

By giving an equivalent of only one hour's pay per month, you can help support 26 community organizations through Lincoln's United Community Chest and Red Cross Campaign.

1 Dead, 13 Injured In Pen Riot

...Trenton, N.J.

Trenton, N.J. (AP) — A race riot broke out among 15 problem prisoners at State Prison Friday.

One inmate, a Negro, was stabbed to death and another shot by a guard before the melee was halted by club swinging prison officers.

Twelve other inmates were injured in the scuffle. Three were detained at the prison hospital.

Warden George Goodman identified the dead man as Willard Jones, 28, of North 10th st., Camden. He died in the hospital from two stab wounds.

Goodman said he apparently was killed by a thin bed spring that had been straightened and honed to needle sharpness on a rock. Two weapons were recovered.

Shot In Leg

Another prisoner, George Stolz, 29, white, of Glendale, N.Y., was shot in the leg when he tried to hurdle a 9-foot fence in the main prison yard. Goodman said he wasn't sure whether Stolz was trying to escape or just steer clear of the fight.

The fight broke out among a group of 15 maximum security inmates. They were in a segregated part of the yard where they are allowed to exercise in small groups at a time.

"Apparently the fight stemmed from racial antagonism," Goodman said. Six or 8 guards armed with nightsticks waded into the swirling mob of convicts and restored order.

Jones was serving a 5-to-7 year term for breaking and entry and larceny and was admitted a year ago. Stolz completed more than 6 years on a 12-to-15 year sentence for robbery.

His wounds were not serious, Goodman said.

Contractors Get Safety Awards At Friday Dinner

Peter Kewitt Construction Co. of Omaha, Korshoj Construction Co. of Blair and M. W. Anderson Construction Co. of Lincoln Friday night were recipients of construction safety awards presented by the Nebraska Building Chapter of Associated General Contractors.

The awards were presented to contractors who went through the past year with the least number of accidents.

M. G. Van Scoy of Omaha, chairman of the Accident Prevention Committee, presented the awards. Nearly 200 persons were present at the awards banquet held in conjunction with the state convention of the contractors' group.

Master of Ceremonies was Leonard Melkus of Grand Island, president. The organization will hold its annual business meeting Saturday.

Car-Pedestrian Mishap Hurts Girl

A 4-year-old Lincoln girl was in good condition at St. Elizabeth's Hospital Friday night after suffering abrasions to the face and right knee in a car-pedestrian accident at 10th and Claremont.

She is Georgia Anne Kruse, daughter of Mr. and Mrs. George Kruse of 822 New Hampshire. Driver of the auto was Eldon C. Yeutter, 19, of 1021 J.

Marilyn Back

Hollywood (UPI) — Actress Marilyn Monroe returned to work on the set of her new picture, "Some Like it Hot," after a two-day absence caused by illness.

The blonde glamour queen spent two days in bed with a "virus infection" and a temperature of 102 degrees.

Carpenter Claims No Tax 'Credit'

Sen. Terry Carpenter said he didn't want to take "credit" for the amended tax returns being filed by Lincoln business firms with the Lancaster County Assessor's office.

Arthur Davis, county assessor, had said he has received from 12 to 15 supplemental 1958 personal property tax schedules from Lincoln business firms.

Davis said most of the returns were received before Sen. Terry Carpenter began the tax hearings of the Legislative Tax Investigation Committee in Lancaster County.

The Scottsbluff senator said Thursday, "I don't care whether the returns were amended before, during or after the tax hearings. The important thing is that taxpayers are more conscious of tax problems and are taking a second look at their returns."

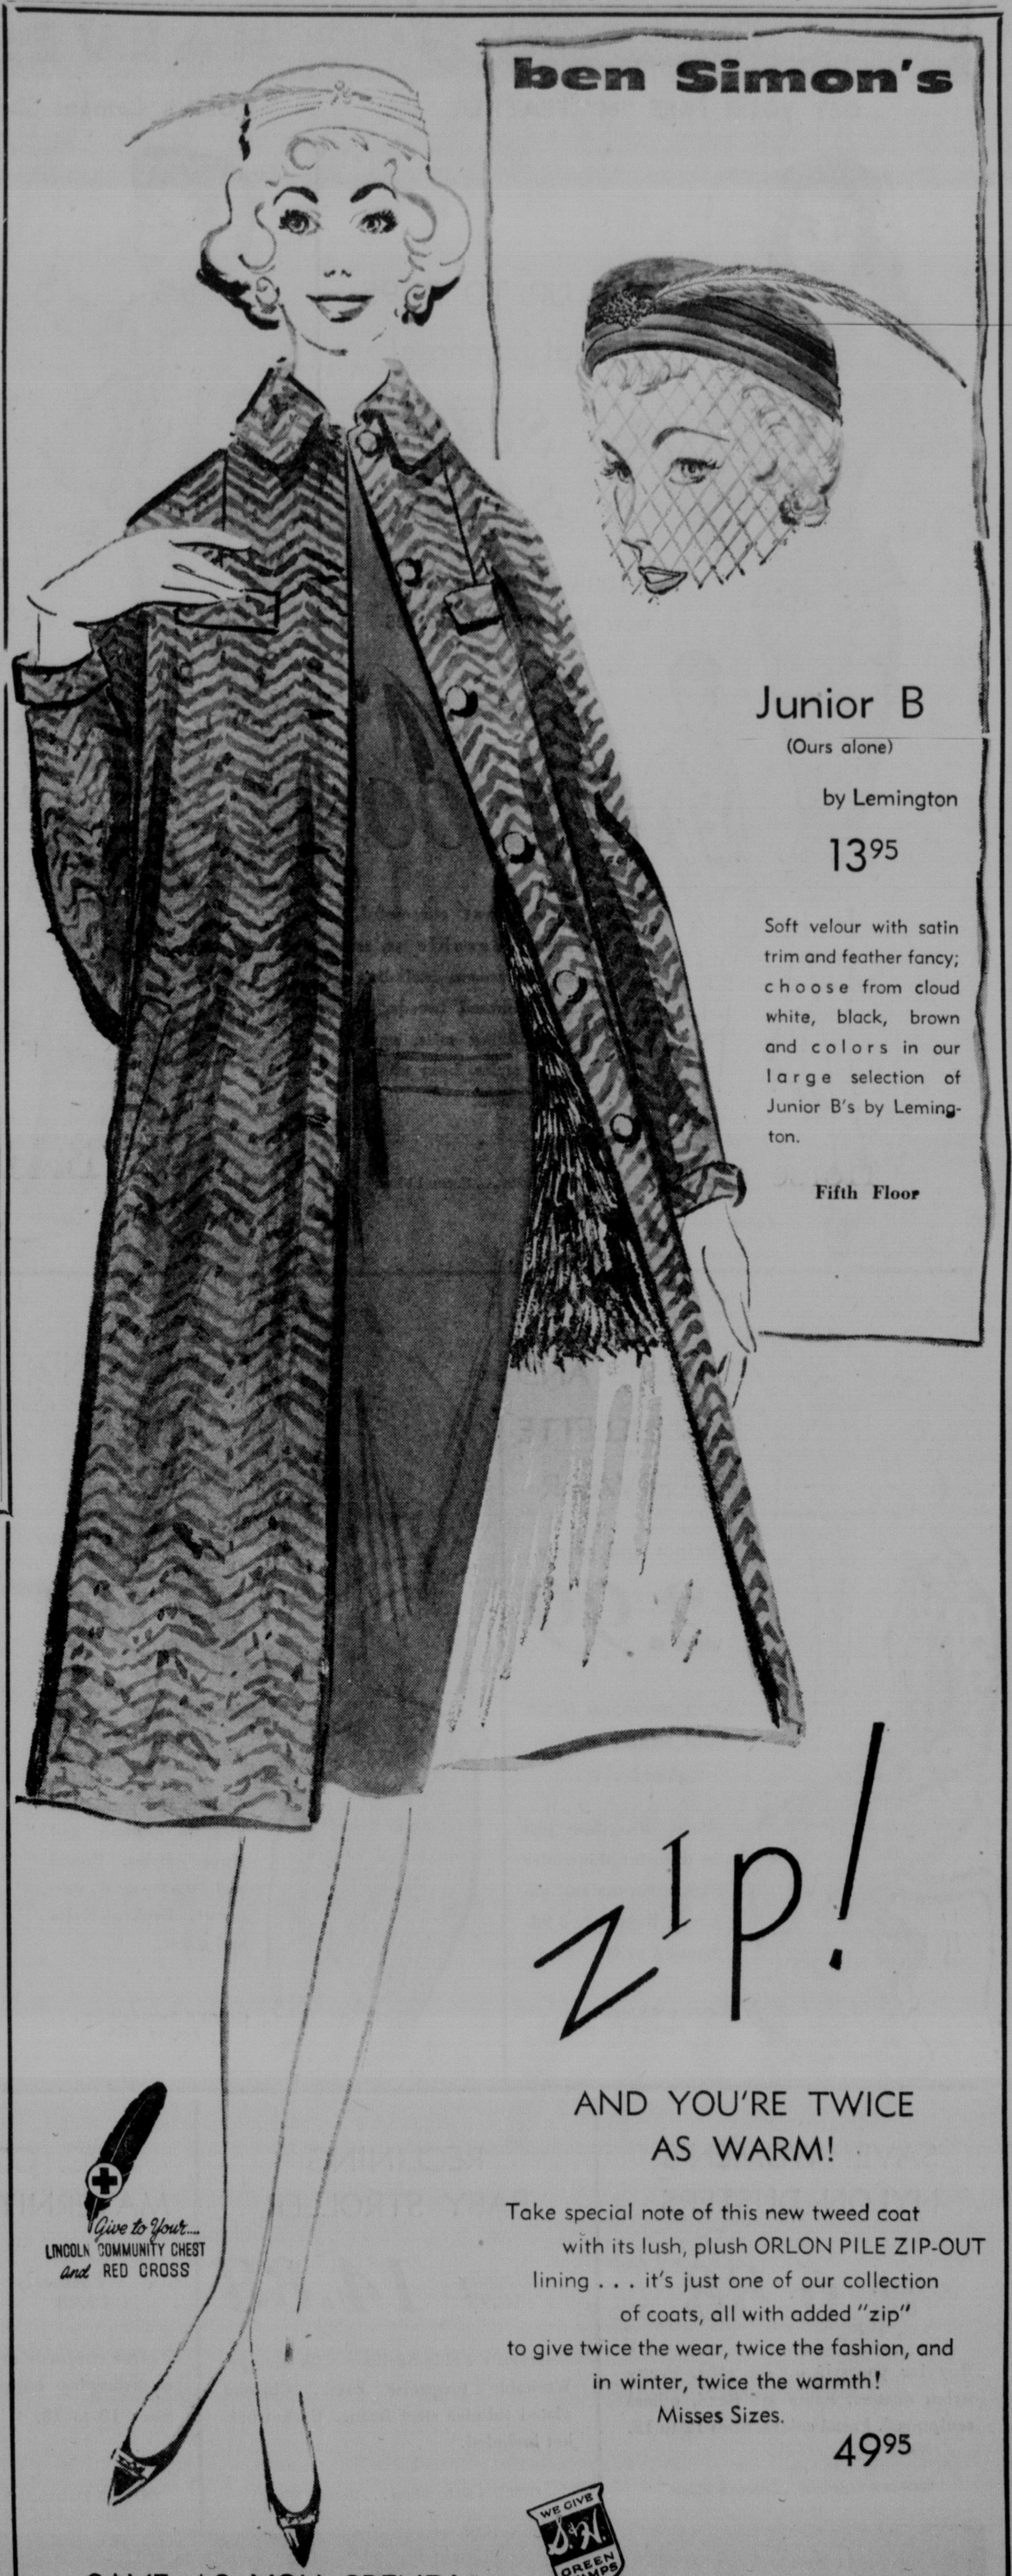

4 Koreans Die

Seoul, Korea (UPI) —The U.S. Army reported that 4 young Koreans were killed when they trespassed a restricted American artillery impact area. The accident occurred near the village of Yong Pyong in the general area of the U.S. 7th Division. It said preliminary reports indicated an explosion took place when one of the Koreans "accidently detonated an unexploded projectile."

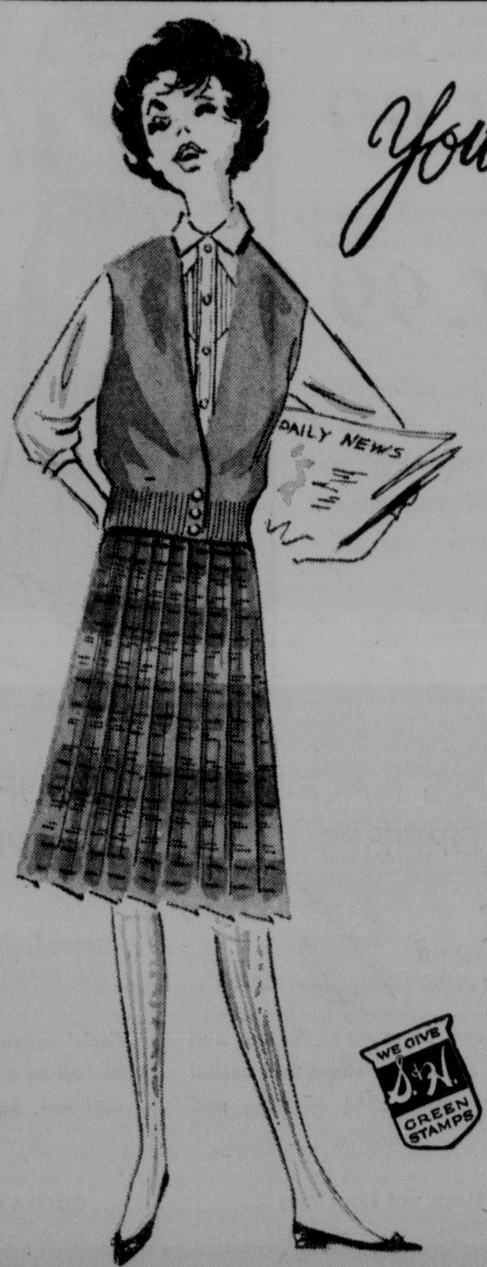

Late Thanks

Norfolk, Va. (AP) — W. L. Beale, Norfolk General Hospital administrator, found in his mail an envelope containing 8 $100 bills and an unsigned note. The note read: "This money is to pay for operation and treatment I received 20 years ago. Also for sickness and treatment for my husband. We couldn't pay at the time. May God bless you in your good works. Many thanks."

160 Grand Island High Schoolers To Visit NU

Some 160 Grand Island High School seniors planning to pursue a higher education will get a preview of what college life is like when they spend Tuesday, Oct. 14 touring the University of Nebraska to watch an ordinary workday in colleges of their choice.

The College Day is being sponsored by the Teenage Project Committee of the Nebraska Human Resources Research Foundation as a means of encouraging qualified students to attend college and to help them find the college meeting their needs.

The students, who finance the trip individually, will arrive Tuesday morning under supervision of Noel Lawrence, Grand Island High School Principal. They will attend a convocation at Love Memorial Library auditorium and will visit two colleges of their choice. A noon luncheon is planned at the Student Union.

Besides helping students find their "exact placement" in college, the day will provide them with "careful and correct" descriptions of requirements, explains Paul Schorr of Lincoln who is chairman of the planning committee. Schorr's committee is composed of 40 high school and college students who originated College Day last year when Lincoln students participated.

According to Schorr, the program is still experimental and its results will not be known for several years until the higher education pursuits of students who have attended College Day have been followed.

Ruling Is Given On Free Transportation

A class 1 or 2 school district board may not contract to furnish free transportation for the district's school children without a vote of the district's electors, the attorney general ruled.

The opinion, requested by Frontier County Attorney Fred J. Schroder Sr. of Curtis, said the power to provide free transportation rather than pay the statutory rate for mileage is subject to the condition that the district's voters authorize the expenditure of school money for such a purpose.

By Al Beebe

Omaha Holy Name quarterback Bill Dagerman was quick to take advantage of 4 mistakes by Pius X and lead his unbeaten team to a 26-0 victory over the Thunderbolts here Friday night.

It was the first loss in 5 starts for Pius as some 1,500 watched the battle between Class B powers. Although big and rugged Holy Name showed the better ball club, the difference in the score was more in the breaks, rather than the abilities of the two teams.

A 6-yard punt off the side of Billy Neal's foot set up the first HN score; a bad center pass handed the Ramblers No. 2; a fumble accounted for the third; and another bad center pass and fumble wrapped it up.

Otherwise, Holy Name threatened only once, when the Ramblers drove to the Pius 12 late in the second quarter, only to lose the ball on a fumble. But Pius never moved the ball inside the Holy Name 30 against a big and rugged line.

Holy Name advanced in the first quarter on a double exchange of punts—the last one being Neal's poor effort. That gave the Ramblers the ball on the PX 31. A shot by Dick Butella put it on the 27.

From there, Dagerman put on a nifty exhibition of the quarterback keep from the split-T, heading right, cutting inside the end, and then slanting across the field to score easily. The try for the extra point failed on a plunge with 2:14 left in the period.

The second period was marred by an injury to Thunderbolt end Mark Hakenkamp who suffered a broken left leg. Hakenkamp collided with Dick O'Brien of Holy Name, and both were injured, but O'Brien was not hurt seriously.

Hakenkamp was removed to a hospital in an ambulance on the field.

Holy Name started its drive which ended with the fumble on the 12 then, after moving from the Rambler 33, Pius then put on its best offensive display, with wingback John Bohaty ripping off good gains on the reverse to move to the Holy Name 30 as the half ended.

A bad center pass in the opening minutes, when Neal was back to punt on 4th down, gave Holy Name the ball on the Pius 11. Big Bob Eickholt pounded to the 4, and Bob Decker went in from there. Eickholt plunged for the extra point 3 minutes into the half.

Midway in the 4th period, Neal fumbled and Eickholt recovered on the Pius 4 yard marker. Dagerman kept it again for an easy score on the first play, but the extra point run was stopped.

Neal started Pius moving with a desperation passing attack late in the game, but a bad center pass, which Neal bobbled trying to pick it up, led to a recovery by Holy Name on the Pius 2. Dagerman fired a pass, but missed.

He hit on the next play, a screen pass to Eickholt. The big Rambler, renowned for his basketball play, swept to the 5 easily, then bulled through two defenders to fall across the line. Les Engel plunged for the final point with but 19 seconds left in the game.

Holy Name	6	0	7	13	—26
Pius X	0	0	0	0	— 0

Holy Name: TD, Dagerman 2 (27, 4 runs); Decker (4 run); Eickholt (22 pass from Dagerman). PAT: Eickholt, Engel (runs).

SOUTHEAST TAKES 1ST WIN, 34-0

Lincoln Star Special

Seward — Lincoln Southeast put together 5 solid scoring drives and used a stiff defense to rout Seward 34-0 here Friday night and collect its first victory of the season.

The win followed 4 consecutive losses for the Knights and came in convincing fashion.

Quarterback Jeff Roberts, running the "belly series" to perfection, scored two touchdowns and engineered the other 3.

The Knights went 60 yards after an exchange of punts in the first quarter, with Roberts scoring from 2 yards out on a keeper play. Jim Levy clicked on the first of 4 successful placements to make it 7-0.

Southeast upped the margin to 20-0 in the second period when Roberts ended a 40-yard drive on a 15-yard run and Dick Harr's 3-yard plunge capped a 66-yard march.

Dick Young returned the second half kickoff 45 yards to the Seward 40 and then scored 5 plays later from the 11 to make it 27-0 and a 19-yard sweep by Steve Solheim in the 4th period capped a 70-yard march and made the final count 34-0.

The rugged Knight defense gave up only 4 first downs, 3 by penalties and all in the final period, in stopping up Seward completely.

FLORIDA NIPS UCLA 21-14

Los Angeles (AP)—Sophomore halfback Don Deal popped loose for a 67-yard touchdown run to spark Florida to a 21-14 victory over UCLA Friday night, but it took a great defense to stave off a challenge by the Bruins in the last 3 minutes of the game.

UCLA caught fire late in the last quarter and most of the crowd of 31,175, which had been drifting toward the tunnels, stayed for the exciting final 3 minutes.

Osborne Shines In 26-6 Triumph

Hastings College ground out a 26-6 win over Nebraska Wesleyan Friday night in a well-played Nebraska College Conference football game.

The loss was the first in NCC play for the Plainsmen of NWU. They had won two against one loss outside the conference. Hastings is now 3-0 in conference play with its only loss a non-loop setback.

Tom Osborne was the whole show for the winning Broncos as the two clubs battled before a Parents Night crowd of about 2,500.

The talented quarterback had a hand in 3 of Hastings' 4 touchdowns. He tallied the first TD on the opening play of the second quarter as he scooted 9 yards to paydirt.

The next Bronco tally came with 6:55 to play in the second stanza with Osborne pitching out to Jake Moser on a lateral play that covered 23 yards. Fullback Jim Page booted both extra points after these TDs.

Sandwiched between the Hastings tallies was a brilliant double reverse play that broke loose Wesleyan's speedy Gary Hofmann for a 34-yard TD jaunt. It came with 10:10 to play in the first half.

Hastings scored its 3rd touchdown with 4:29 to play in the 3rd period when Moser cracked over from one-yard out. The final Hastings TD on the second play of the last quarter. It was Osborne again doing the honors with a pass to end Jim Pettit. The play covered 27 yards.

Wesleyan had a touchdown drive going late in the game only to have it halted by a fumble with a minute to play. Hastings took over and ran out the clock.

Wesleyan's next game is an NCC encounter at Midland next Saturday afternoon. Game time is 2 p.m. The upcoming NCC battle for Hastings is its annual donnybrook at Kearney. The Broncos ended Kearney's championship reign last season with a decisive victory and then went on to cop loop honors.

K-State Pilot Says 'Cats In 'Worst Shape Ever'

By Don Bryant

Kansas State coach Bus Mertes herded his Wildcats into the lobby of the Lincoln Hotel Friday afternoon, leaned against a couch and opined:

"I don't believe in crying about injuries, but we're in the worst shape ever."

He reeled off the names of his injured players who didn't make the trip—Gallagher, Jones, Meier.

"If Bill Jennings (NU coach) had his choice of two players from K-State he'd like to miss the game, I'll bet that Meier (Wildcat Captain Gene Meier, a fine guard) and Gallagher (fullback Bill Gallagher) would be the boys," Bus said.

But Mertes wasn't tossing in the towel, not by a long shot.

"We've got some great kids and they play hard," he said. "I just hope we can give Nebraska a good game. I'd say it ought to be a tremendous game and I hope we're in it all the way."

No Workout

The Wildcats checked in the hotel, rested for an hour and then met for a squad meeting. They didn't hold a workout at Memorial Stadium.

A movie was on tap Friday night.

Tolly 'Ousted'

On the home front, Husker quarterback Harry Tolly, was booted off the University of Nebraska Student Council by the group's president, Dwaine Rogge.

The North Platte junior got the heave-ho because of 3 unexcused absences, Rogge said.

Lopsided History

Since the first Nebraska-Kansas State game in 1911, the Cornhuskers have won 33, lost 7 and tied 2. The 1951 game ended in a 6-6 tie, but K-State had to forfeit because it used an ineligible player.

Lincoln Northeast and Hastings consumed about two minutes of a Mid-East Conference football game with a show of long-range striking power but the Rockets came up with little else and dropped a 32-12 decision at the Oval Friday night.

Northeast, which lost its 4th straight, got into the scoring column twice on pass plays, but two TDs weren't enough to stop the retaliating Tigers.

Hastings matched the two Rocket Bursts with two of the same quicky variety and pushed across 3 more during the rest of the contest to win handily.

All the scoring was confined to the second and 4th periods, with the other two quarters devoted to defense.

The Tigers took a 6-0 lead one minute into the second period when quarterback Tom Cunningham slipped into the end zone from the one to climax a 27-yard march.

Then the Rockets went to work, scoring 3 plays after the Hastings kickoff. After 2 rushes lost 4 yards from the 31, NE quarterback Jim Marple pitched a pass to Reynold McMeen on the Tiger 40 and McMeen went the rest of the way untouched.

The play covered 73 yards and tied the score 6-6, giving the Rockets a ray of hope after a dismal first quarter. But Hastings took care of any upset chances quickly.

End Chuck Matzke took a short NE kickoff on his 35 and ran to the 40 before being hit. Matzke went down but managed to pitch the ball back to halfback Larry Uhrmacher, who toted it into the end zone to put the Tigers back in the lead 12-6 only 19 seconds after Northeast had tied the game.

The Rockets couldn't go after the Hastings kickoff and the Tigers had it on the NE 21 moments later after Larry Uhrmacher returned a punt 20 yards. Jerry Uhmache (Larry's twin) passed to Matzke for 16 yards to the one and big Allen Curtis bulled over for the 3rd Hastings TD which ran the count to 19-6.

After losing two scoring chances in the 3rd period, the Rockets clicked on a 34-yard scoring pass from Marple to end Les Smith early in the 4th quarter to cut the Hastings lead to 19-12.

But the Tigers were equal to the occasion again scoring within 45 seconds of the NE touchdown. Cunningham tallied again from the one after a 46-yard scamper by Curtis for the first Hastings first down of the half.

This made it 26-12 and reserve fullback Joe Ray plunged 2 yards after a 42-yard march to end the scoring with 2:45 left in the game.

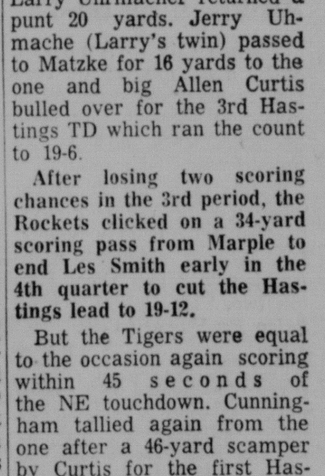

Northeast, thanks to a strong second half ground attack, outdowned the Tigers 10-7 and had a wide edge in passing, but couldn't cope with the quick Hastings TDs.

Hastings	0	19	0	13	—32
Northeast	0	6	0	6	—12

Hastings TDs: Tom Cunningham 2 (1, 1 sneaks); Larry Uhrmacher (65, kickoff return); Allen Curtis (1, run); Joe Ray (2, run). PAT: Uhrmacher, Gary Englehardt.

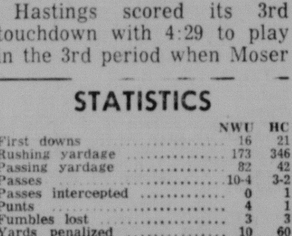

Northeast TDs: Reynold McMeen (73, pass from Jim Marple); Les Smith (34, pass from Marple).

Dissension Among Yankee Bosses May Spell Finish To Casey's Career

New York (AP)—The Casey Stengel guessing game is on again. Will he quit as New York Yankee manager? Will he sign a new contract?

The New York Post's sports columnist Jimmy Cannon introduced a new element Friday when he said dissension had split the high command with Stengel on one side and General Manager George Weiss and Co-Owner Del Webb on the other. "The chances are 50-50 Casey Stengel will never put on a Yankee uniform again," wrote Cannon.

Before the print was dry the Yanks rushed out with a disparaging statement about the story.

"The story is utterly ridiculous and not worthy of comment," said Bob Fishel, the Yanks' publicity director, who said he was speaking for both Stengel and Weiss.

"I doubt if there are two closer friends in baseball than Weiss and Stengel," Fishel said. "They even went home together last night after we got back from Milwaukee."

The Yanks will have a press conference with Stengel on hand early next week.

The grizzled Yankee skipper scored his greatest triumph Thursday when he led the club to the greatest baseball comeback in 33 years. Even Stengel called it a "truly amazing comeback" to upend Milwaukee after trailing 3-1 in games at one stage in the 1958 World Series.

Stengel spent much of Friday with a close friend from his home town, Glendale, Calif. and Weiss. He could not be reached by newsmen.

At their hotel suite, Mrs. Stengel refused any comment on stories that her husband would quit.

"This was Casey's greatest year," she said. "It positively was the greatest managing of Casey's career."

Stengel is finishing out a two-year contract. He reportedly draws about $75,000 a year. He is independently wealthy, owning several oil wells and is a director of a Glendale bank.

According to Cannon's story, Stengel was reprimanded by the front office when the Yanks slumped in the final months of the season after piling up a wide early lead. He said there has been disagreement because of Stengel's system of platooning players. This breach, Cannon said, was widened because Stengel got too much personal publicity that the front office thought should have gone to the organization.

Cannon said friends of Stengel in Glendale said he had spent his most miserable year of 10 as Yankee manager.

For several years now there have been persistent stories that Stengel would step down. As long ago as 1952 he hinted he might retire because of his health.

The record books disagree on his age. Some say is is 68, some 69. Stengel, who should be an authority, said on his last birthday, July 30, at Kansas City, "seriously, I guess it's 68 Some say I was born in 1889 and some 1891 but 1890 is right."

Those who think he may step down, regardless of the reports of dissension, point to his age, wealth and the physical strain of constant travel.

If he quits, he will have tied Joe McCarthy, former Yankee manager as the skipper of 7 World Series winners. Nobody ever managed in more Series although John McGraw tops him by one with 10 pennants. In one of McGraw's pennant years with New York giants there was no World Series.

Lincoln Star Special

Sutton—Pat Bottorf scored the only touchdown of the game, a one-yard plunge, to lead Sutton past Deshler 6-0 Friday night.

HOLDREGE OUTSCORES BROKEN BOW

Lincoln Star Special

Broken Bow—Holdrege, the top-rated Class B team, had as close a call as it could want with one of its top competitors, Broken Bow, but managed to edge out a 39-35 victory in a wide open offensive battle here Friday night.

Broken Bow, sparked by 49 and 71-yard touchdown runs by sophomore back Kent McCloughan, got off to a 21-14 first quarter lead as both teams scored each time it had the ball, but the Dusters got two TDs in the second period to forge a 27-21 halftime margin.

A 95-yard drive which ate up most of the clock in the 3rd period gave the Dusters a 33-21 lead and Broken Bow couldn't catch up.

Besides McCloughan, Don Neidt scored twice for the Indians while Win Peterson scored two TDs and Tom Carlson pitched two scoring passes for the Dusters. Spencer Puls scored another Holdrege TD on a 60-yard scamper.

Holdrege	14	13	6	6	39
Broken Bow	21	0	7	7	35

Holdrege TDs: Win Peterson 2 (5, run; 3, run); Spencer Puls (60, run); Forie Dahlstet (1 foot, plunge); Jeff Johnson (44, pass from Tom Carlson); Mike Peterson (40, pass from Carlson). PAT: Carlson 3 (placement).

Broken Bow TDs: Kent McCloughan 2 (49, 71 runs); Don Neidt 2 (10, 4 runs); Ed Landen (2, run). PAT: Dick Eldred 2, McCloughan 3.

Parker's Passes Spark Pioneers

...To 13-6 Upset Of Beatrice

Lincoln Star Special

Beatrice—Nebraska City's Bill Parker threw the Pioneers to a 13-6 upset victory over the Beatrice Orangemen, here Friday night.

Parker, steady-armed Nebraska City backfield man tossed touchdown passes to Lynn Letiller and Dave Rikenbau to give the Pioneers the nod.

The Orangemen started the evening off with a quick first period touchdown run by Bob Hohn on a 53 yard end sweep.

The Pioneers fought back and finally crossed the twin stripes early in the second period as Parker flipped a nine yard TD pass to Letiller. Parker used the same play for the extra point, as he once again hit Letiller in the end zone.

After a scoreless third quarter, Parker and Company took command of the ball and marched to the Beatrice six. The Pioneers iced the game after Parker put the cap on the touchdown drive by hitting Dave Rikenbau in the end zone.

Beatrice tried in vain to score in the final minutes of the game, but a pass interception by Nebraska City's Wayne Wallace deflated the Orangement touchdown balloon.

Nebraska City	0	7	6	0—13
Beatrice	6	0	0	0— 6

Nebraska City—TD: Letiller (9, pass from Parker); Rikenbau (6, pass from Parker). PAT: Letiller (pass from Parker).

Beatrice—TD: Hohn (53, run).

Lex Blasts Kearney, 26-0

Lexington — The Lexington Minute Men jumped to a quick 26 point halftime lead and then eased to a 26-0 victory over Kearney, here Friday night.

In the combination South West Conference and Central Five contest, Steve Pfister took the spotlight by sprinting 55 yards and 92 yards for two TDs. Lexington's conference record now stands at 3-0.

The final Minute Man tally was scored by Lex's Ernst on a 55 yard punt return.

Kearney	0	0	0	0	0
Lexington	13	13	0	0	26

Lexington—TD: Pfister 2, (55, 92 runs); Rholl (11 pass from Yutter); Ernst (55, punt return). PAT: Martin, 2.

Hebron Nips Minden 13-12

Lincoln Star Special

Hebron — Roger Corliss kicked a 3rd-quarter extra point here Friday night to give his Hebron teammates a 13-12 victory over Minden.

Corliss had tied up the ball game with his 15-yard touchdown run to set the stage for the game-winning kick.

Minden	0	6	6	0	12
Hebron	6	0	7	0	13

Minden: TD's, Sam Sommerhalter 2 (3, 41, runs).

Hebron: TDs, Allan Piephman (85, kickoff return), Roger Corliss (15, run). PAT, Corliss.

4 Big 8 Grid Games On TV

Kansas City (AP) — The Big 8 Conference announced Friday 4 of its football games will be televised in the 6-state area comprising the circuit.

Reaves Peters, executive director of the loop, said the dates are Oct. 18, Oct. 25, Nov. 8 and Nov. 15. The games to be televised, he said, would be announced by his office on the Monday preceeding each game. Peters said a 20-station network had been set up.

No Changes For 1959 Fish Rules

The Nebraska Game Commission Friday announced that 1959 fishing regulations would be the same as prevailed during the current year.

The commission said this was the first time in Nebraska's history the regulations went unchanged into a new year.

Nebraska fishing regulations are some of the most liberal in the nation.

Fairbury Shatters Crete

...By 26-14

Crete — The Fairbury Jeffs racked up 20 points in the first half to coast to a 26-14 victory over Crete here Friday night.

Al Mapel took Fairbury high scoring honors with a 61-yard touchdown scamper and a 5-yard plunge for another 6-pointer.

Royce Holtegrewe's steady arm accounted for all of the Crete points, as he passed for two touchdowns and tossed for two extra points.

Fairbury	13	7	6	0	26
Crete	0	7	7	0	14

Fairbury—TD: Maple 2, (61, pass from Galamore, 5, run); Carl (18, run); Ulrich (1, run). PAT: Schipper, Thompson.

GOOD TEA, SORE DOG

St. Andrews, Scotland (AP)—The world amateur golf championship competition, designed to foster good will, wasn't without incidents Friday.

For instance, an Austrian golfer asked his Belgian opponent if he'd like a cup of tea just as the Belgian was lining up a putt. Later the Austrian made it a bit worse by asking "have you got your composure back yet?"

Luis Silverio of the Philippines sent a drive into the rough on the 6th hole. He saw a spectator pick up the ball he had "found" and start walking away. Silverio yelled and the spectator dropped the ball—in a much worse lie.

Canada's Bruce Castator asked his caddie for a line to the green.

"Aim for the dog lying out there in the sun," the caddie said.

Castator did. The ball struck the dog's rump and sent him yapping away. The ball bounded onto a Macadam road and the Canadian had to play a difficult shot to the green and sink a 75-foot putt to get a birdie 3.

Boyd Decisions Jimmy Beecham

Chicago (AP) — Bobby Boyd won a unanimous decision from Jimmy Beecham of Miami Friday night in an action packed 10-round bout at Chicago Stadium. Boyd weighed 160, Beecham 159½.

Boyd piled up an early lead and managed to hold on in the later rounds when Beecham began scoring with an effective left hook that usually found its mark.

Beecham appeared to be out of the running in the 5th round. But he came on and appeared the stronger of the two in the final rounds. In the 6th he hurt Boyd with a hard right to the jaw.

She's been nesting there since my heater got stuck on the warm position.

Irish-Cadet Tilt Tops Slate; Bucks On TV

By The Associated Press

Army vs. Notre Dame, the only football rivalry to match Army-Navy in national interest, color and thrills is renewed as the top attraction on today's college schedule.

The teams play the last in the current two game series —the original series was discontinued in 1947 after 34 consecutive years— and only the second time ever at South Bend, home of the Irish.

There is little to choose between the two. Army tops the nation in offense with its "lonesome end" and "bazooka" formations, while Notre Dame has a powerful multiple offense, and an iron-clad defense.

The Cadets are 3rd ranked in the nation, the Irish No. 4 in the Associated Press poll. Army still is smarting from last year's 32-21 upset in Philadelphia on Monte Sickles 4th quarter field goal.

No. 2 Oklahoma meets No. 16 Texas in the southwest's top game of the day, and the renewal of another fierce rivalry. The Sooners still are getting over a 6-0 scrape in defeating Oregon last week. Texas is undefeated in 3 games.

Top-ranked Auburn faces a sleeper in Southeastern Conference rival Kentucky. The Wildcats have a 2-1 record but have an explosive-type offense that will put Shug Jordan's great defense to a real test.

Fifth-ranked Ohio State faces Big Ten opponent Illinois in the national television game of the day (NBC-TV, 2 p.m. CST). The Bucks just beat Washington 12-7 last week while the Illini were surprised by Duke 15-13.

Wisconsin and Purdue, Nos. 6 and 13 respectively, meet in a Big 10 battle that could be the most evenly matched game of the day. Both are unscored on in winning their first two games, with the Badgers ringing up 70 points, the Boilermakers 52.

Mississippi, 7th ranked, takes on Tulane in a Southeast Conference game. The Rebels are hard out this season to maintain their ranking, with two first stringers gone because of injury and 3 on the doubtful list.

Eighth-ranked Clemson puts its multiple-T offense to a test against Vanderbilt, while Michigan State (No. 9) meets 10th ranked Pitt. The Panthers will try to solve State's multiple offense with a line that has smothered 3 opponents.

Navy puts it's 12th ranking on the line against Michigan, which held Michigan State to a 12-12 tie last week. The Wolverines, No. 14, used two different attacks in two weeks, while Navy is countering with the passing of Joe Tranchini, and must play without tackle Bob Reifsnyder and back Joe Bellino, out with injuries.

Oregon, No. 15, stacks the defense that almost stopped Oklahoma last week, against Southern California in a Pacific Coast Conference game. Iowa, No. 17, still a bit surprised by that 13-13 tie with the Air Force Academy, meets Indiana, a 13-12 conquerer of West Virginia last Saturday.

Quarterback and superb passer Don Meredith is a doubtful quantity as 18th ranked Southern Methodist meets Missouri. Meredith was on crutches all week after being injured against Notre Dame.

Colorado plays Arizona and Houston meets Wichita in a Missouri Valley game to round out the top 20.

In the East Holy Cross-Dartmouth and Marquette at Penn State tops a card, which also sees a pair of Ivy League games. Georgia Tech-Tennessee meet in the Southeast Conference, while North Carolina State-Wake Forest top the Atlantic Coast Conference card.

Baylor comes from the southwest to play Duke, while neighbor Texas A&M journeys to Maryland in other top games.

Texas Christian-Texas Tech, and Rice-Arkansas top the Southwest, with the Air Force Academy at Colorado State University, Oregon State at Wyoming and Stanford playing host to Washington in the Far West.

Hunting Clock

Sunset Saturday: 5:53 p.m.
Sunrise Sunday: 6:35 a.m.
Sunset Sunday: 5:52 p.m.

Legal shooting hours—one-half hour before sunrise to sunset for all game regulated by the Nebraska Game Commission.

Sunrise and sunset hours are given for Lincoln and any point in Nebraska due north or due south of Lincoln. Since sun time changes approximately one minute for each 13 miles in Nebraska, add one minute to the times above for each 13 miles west of Lincoln, for each 13 miles east of Lincoln subtract one minute.

Wofford Rallies, Nips Citadel

Orangeburg, S.C. (AP) — Wofford exploded with two long scoring plays in the final period Friday for an 18-6 football victory over Citadel of the Southern Conference.

A sweltering county fair crowd of 10,000 watched halfback Gary Whitlock race 59 yards for the winning touchdown.

British Golfers Dropped To 3rd In Scot Tourney

St. Andrews, Scotland (AP) — New Zealand, the United States and Australia—3 nations who imported golf from the Scottish spawning ground —routed old Britain out of first place Friday in the world amateur championship.

The Old Course of St. Andrews finally calmed down, making weather and playing conditions more like home for the 4-man teams from the Antipodes and America, and scores improved with the weather.

The New Zealand team threw the hardest block. Bob Charles shot a 76. John Durry, 22-year-old golf club maker, shot a 77. Ed MacDougall had a 72 and Stewart Jones an 80.

The United States, also with a 3-man best score of 225, moved into 2nd place with a 690 total. Australia, posting a 221 for Friday's 3rd round, edged into a 3rd place tie with Britain at 691. The British scored 230 Friday.

NU Cagers To Practice Wednesday

University of Nebraska basketball team starts its workouts Wednesday, Oct. 15, Coach Jerry Bush announced.

The Cornhuskers will be a young club without a tall man, Bush said. Al Maxey, sophomore, is expected to provide help. He is an excellent rebounder, good shot and extremely fast.

Harry

Bob Harry, junior from York, will be the tallest Husker at 6-6. Harry played outstanding ball against Kansas and Kansas State when the Huskers put over two upsets last season.

Herschell Turner, junior, should be one of the outstanding players in the Big Eight Conference this season. He possesses a "hanging jump shot" which is both accurate and hard to break up.

Coach Bush pegs Kansas State to repeat as Big Eight champion, with Oklahoma improved and the new member, Oklahoma State, which will be competing for the first time in the cage race, always strong. Iowa State is a young team, Bush says, but has size and balance.

Rams Extend Gillman's Pact

Los Angeles (AP)—Coach Sid Gillman of the Los Angeles Rams Friday accepted a new contract to guide the National Football League club.

The contract was announced by general manager Pete Rozelle on behalf of the Ram owners.

It came as the team boarded a chartered plane bound for Detroit and the game Sunday against the champion Detroit Lions.

YANKEES HAVE OPTION; MAY BUY RICHMOND

New York (AP) — The New York Yankees Friday announced they have secured an option to purchase the Richmond Virginians of the International League.

Exercise of the option, a club spokesman said depands on completion of satisfactory operaging arrangements. The amount of money involved was not announced, pending completion of the deal.

The Yankees have had a working agreement with the Virginians for the last 3 years. Ed Lopat, former Yankee hurler, has been the manager for the triple A club.

Purchasing of Richmond marks the 1st time New York has owned a minor league club above a Class A classification since the Kansas City Blues of the American League in 1955.

The Yankees recently dissolved a working agreement with Denver of the American Assn.

Bobby Jones Honored

London (AP) — The News Chronicle Friday gave the Scottish city of St. Andrews an editorial nod of approval for conferring its Freedom on Bob Jones, golf's only grand slam winner.

Realignment Meeting Delayed Until Nov. 5-6

Columbus, Ohio (AP) — Baseball officials from 6 minor leagues will gather in Memphis, Tenn. Nov. 5-6 to discuss possible franchise changes.

The meeting originally was scheduled for Oct. 21, but minor league president George M. Trautman moved the date back Friday after learning some officials couldn't make the earlier meeting.

Invited to the conference are presidents and club officials of the American Assn., International League, Southern Assn., Texas League, Western League and South Atlantic League.

Beaver Crossing Rips Bradshaw

Beaver Crossing—Ron Oswald had a hand in all the scoring here Friday to lead Beaver Crossing to a 38-7 victory over Bradshaw.

Oswald scored 4 touchdowns, passed for 2 more and added 2 PATs.

Beaver Crossing	20	6	12	0	—38
Bradshaw	0	7	0	0	— 7

Bradshaw TD: R. Brich (2, run). PAT: Brich.

Beaver Crossing TDs: Ron Oswald 4 (35, fumble; 70, kickoff return; 10, pass from Ron White; 50, pass from White); Lyle Huffman (15, pass from Oswald); White (25, pass from Oswald). PAT: Oswald 2.

Game Commission Leases Land Near Lake McConaughy

... Plans Made For Recreation Area

Ogallala (AP) — Recreational development of lands bordering Lake McConaughy and Lake Ogallala moved toward reality Friday.

The Central Nebraska Public Power and Irrigation District announced it had signed a lease for the lands with the State, Game, Forestation and Parks Commission.

Under the terms of the agreement, the district granted a lease for more than 5,000 acres of shore line lands on the two lakes for a period of 25 years.

Cancellation of the agreement by the district is authorized under the contract in event the Game Commission does not proceed with the recreational development within two years.

The agreement requires the commission to use all revenue received from such leases and other recreational activities carried on in the area for development, supervision and management of recreational activities in areas covered by the lease.

The commission has charge of all wildlife management and recreational activities on the lakes and the lake shores. The commission also has authority to make and enforce such rules and regulations as it deems necessary for fish and game management and for public recreational use of the lakes, the lake shores and other areas under lease.

Lake McConaughy is Nebraska's largest body of water, with a length exceeding 20 miles, 105 miles of shore line and width that ranges from 3½ miles at Kingsley Dam to 4 miles at other points. It has a storage capacity of 2,000,000 acre feet of water.

Lake Ogallala, formed by the borrow pit as earth was used to build Kingsley Dam, is about 1½ miles long. Below Lake Ogallala is Keystone Lake, formed by Keystone Dam, which diverts water to the Platte Valley Public Power and Irrigation District's supply canal.

Water stored in Lake McConaughy is used to operate 4 hydro-electric plants and to irrigate more than 250,000 acres of farm land in Lincoln, Dawson, Buffalo, Gosper, Phelps and Kearney Counties.

TODAY—OIL BUILDS for your TOMORROW!

...because by 1965 over 190,000,000 Americans will need more oil power than was ever dreamed of before!

America's greatest growth—in both prosperity and population—is in the future. Around 1965 there will be 30 million more Americans. They'll drive 14 million more cars and trucks than exist today. Twelve million new homes will need heating, cooking and air conditioning.

By 1965 each American family will use up 650 more gallons of oil than it does today. The oil industry will be ready for 1965. Today every phase of the oil industry—exploration and production, refining, research, transportation, marketing—is hard at work building new products, more plants, better methods and ideas for *your* future.

The Petroleum Industry is one of the wonders of the modern world!

TODAY — OIL BUILDS FOR YOUR TOMORROW!

We salute the Nebraska Petroleum Council, American Petroleum Institute, the individual oil companies, oil marketing and sales personnel in the Nebraska Area ... on OIL PROGRESS WEEK ... the time of year when the oil industry reports to the nation.

Hruska: Can't Depend On Demos Cutting Taxes

Hastings, Neb. (AP)—The Republican campaign caravan addressed a luncheon crowd here Friday. Minden, Clay Center, Geneva and Crete appearances were also made during the afternoon and evening.

Senator Roman Hruska told the crowd of approximately 100 at the luncheon that "you cannot depend upon the Democrats to reduce taxes, practice economy, provide a sound farm program, control labor bosses through reform legislation or work for peace."

The senior senator also answered his Democratic opponent Frank Morrison's charge that it is misleading not to compare lower 1958 farm prices with the farm income of 1952.

Hruska asked if the farm prices in 1952 brought about by loss of lives during the Korean War should be considered with peacetime prices.

Weaver told the Hastings audience that the two questions in the minds of First District voters are: How can we stop government spending? And how can we stop labor boss abuses of their positions?

The Falls City Republican said that if economy were practiced higher taxes would not be necessary.

Governor Victor Anderson told the group that despite increased living costs, more money for state roads and mental health, and more money for higher education the cost of state government was 26 mills less than last year's and lower than the figure 3 years ago.

Anderson took time out after the luncheon to visit the Hastings State Hospital.

52-Bushel Corn Crop Forecast Stands

Estimate Of Sorghum Up To 45 Bushels

By the Associated Press

The U. S. Department of Agriculture Friday reaffirmed its forecast of a 52-bushels an acre corn crop for Nebraska.

The government crop observers pegged the total Nebraska crop, based on conditions Oct. 1, at 285,116,000 bushels—the same figure forecast a month ago.

At 52 bushels an acre, the crop, which thrived on a wet growing season, will be a record per acre yield. The total production, however, is about 10 million bushels below the record.

While the corn estimate remained steady with a month ago, the Agriculture Department's estimate of the Nebraska sorghum crop was raised from 63,440,000 on Sept. 1 to 78,399,000 Oct 1. That was equivalent to a hike from 45 bushels an acre to 46½.

The production of dry beans was estimated at 1,550 pound per acre and total production at 992,000 hundredweight.

Nebraska News

9 Out Of 10 New Vote Registrations Are Democrats

Scottsbluff, Neb. (AP) — The city clerk's office surveyed new voter registrations and learned that 9 out of 10 are Democrats.

The clerk's office reported there had been a flurry of registrations and address changes in recent weeks, some of it due to recent cirulation of petitions to place on the ballot a liquor by the drink proposal.

Last May, the registration tally showed 6,190 registered voters, among them 118 nonpartisan, 2,489 Democratic and 3,583 Republican.

Tractor Kills Falls Citian

Falls City, Neb. (AP)—Philip F. Scholl, 69, Falls City farmer, was killed Friday when a tractor overturned, pinning him beneath it.

Scholl and a nephew Robert Scholl, were smoothing down a ditch when the mishap occurred.

The accident occurred on the Scholl farm, 3 miles east of Falls City.

★ ★ ★ Crop Volume For U.S. 10% Above Record

Washington (AP) — A volume of crops surpassing the previous record high by about 10.5% is pouring from America's farms this year.

What's more, it is being grown on an acreage restricted by government controls and a soil bank land retirement program.

In a harvest time report, the Agriculture Department estimated the volume at 117% of the 1947-49 average. This compared with the previous record high of 106% set in 1948 and matched in 1956 and 1957.

The big production reflects the progress being made in boosting acre yields through use of higher yielding varieties, more fertilizers, plant pesticides, modern farm machinery and equipment as well as generally favorable weather this year.

Featuring the production pattern are record crops of wheat, corn, sorghum grain, barley and soybeans and average or above average production of other crops.

New Marks

As a consequence, surpluses of some crops — particularly wheat and livestock feed grains—will be raised to new record highs. This will put new burdens on government price support and storage programs.

The wheat crop was estimated at 1,449,000,000 bushels, compared with 947,000,000 last year and the previous record of 1,358,000,000 in 1947.

Corn was put at 3,686,000,000 bushels compared with 3,402,000,000 last year and the previous record of 3,605,000,000 in 1948. Perhaps half a billion bushels of this crop also will move into surplus holdings, along with sizable quantities of the record sorghum grain crop which was estimated at 607,000,000 bushels, up 8% from last year.

Teas Slated For State's Demo Women

Rulo, Neb. (AP) — Big turnouts for the Democratic Woman's Dollar Teas in Nebraska next week were predicted Friday by Mary Cunningham, Democratic national committeeewoman for Nebraska.

Next week has been set aside as Democratic Woman's Week over the nation. Four district teas are planned in Nebraska in connection with the annual event.

Democratic Woman's Week is to provide a forum for Democratic candidates, an introduction to politics for women who have never been active, and an opportunity to honor Democratic women.

Frank Morrison, candidate for the Senate, Gubernatorial Candidate Ralph Brooks and Frank Sorrell, candidate for lieutenant governor, and their wives are expected at each tea.

Also attending will be the Congressional candidates in each of the districts — Clair Callan, Francis Casey, Lawrence Brock and Don McGinley.

The teas start off in Lincoln Tuesday, with one scheduled at Grand Island Wednesday, Columbus Friday and Omaha Saturday.

893,000 In State Of Voting Age By Time Of Election

Washington (AP) — Nebraska will have 893,000 residents of voting age at the time of next month's general election, the Census Bureau estimates. The total would represent an increase of 17,000 over the number on Nov. 1, 1956.

In 1956 the vote cast in Nebraska for president came to 577,000, of which 199,000 were Democratic and 378,000 Republican.

The bureau notes the civilian population of voting age includes many persons who, although old enough to vote, can not do so because they have not met state requirements on registration, residence or citizenship.

Bailey Suffers Serious Attack

Grand Island, Neb. (AP)—Jack Bailey, roving correspondent for the Grand Island Daily Independent and photographer, was in serious condition at St. Francis Hospital Friday after suffering a heart attack.

Bailey operates a studio and camera shop in Grand Island and also has a studio at Kearney. He headed the centennial committee in Grand Island last year.

Bailey was enroute home from Central City, where he had been covering a murder story, when he was stricken along the highway three miles east of Grand Island.

An employe of Bailey, Eldon Gustafson, say Bailey's car parked beside the road, stopped and drove Bailey to a hospital.

Interstate Road Worker Injured

Omaha (AP) — Leonard Bertelsen, 37, Fremont, suffered a shoulder injury Friday while operating a bulldozer on an Interstate Highway project west of Omaha.

A spokesman for the contractor, Roberts Construction Co., Lincoln, said a tree stump caught in the tread of the machine and struck Bertelsen on the left shoulder. He was taken to an Omaha hospital.

Charge Reduced — Gerald D. Sullivan of 1511 So. 12th pleaded guilty in Lancaster District Court to a reduced charge of careless driving, and was fined $100. He had earlier pleaded innocent to a drunken driving charge, on which he had appealed a Municipal Court conviction. The City Attorney amended the charge and Sullivan, 24, changed his plea to guilty.

Arnold Students Guests At Dinner

Rev. Harold Massie, pastor of the Methodist church at Arnold, Neb. was dinner host to all Arnold students attending the University of Nebraska and Wesleyan University. The dinner was held at Cotner Terrace.

Attending were: Sharon Lanham, Larraine Hall, Diane Thompson, Lane McClure, Dee Blummer, Joyce Welch, Mr. and Mrs. Eddie Steele, Gladys Dennis, Danny Davenport and Rev. and Mrs. Wendell Smith.

STOCKS SOAR PAST RECORD

New York (AP) — The stock market rolled up to a new peak Friday in the busiest session of 1958.

Gains ran from fractions to more than $2 a share, with a few wider moves. The advance was helped along by an increase in the price of copper, and reports of rising steel output in the Youngstown, O., and Buffalo, N. Y., districts.

Trading soared to 4,610,000 shares, biggest volume of the year, compared with Thursday's 3,670,000 shares.

The Associated Press average of 60 stocks rose 80 cents to $198.70, a new high. Industrials climbed $1.50, rails were unchanged and utilities rose 30 cents.

U.S. Sticks To Guns On A-Test Ban

. . . Prods Russ In U.N.

United Nations, N.Y. (AP) — Ambassador Henry Cabot Lodge declared Friday the United States is ready to suspend nuclear weapons tests indefinitely provided there is reasonable year-to-year progress in other fields of disarmament.

But Soviet Deputy Foreign Minister Valerian Zorin replied Moscow would agree to halt tests only if the United States and Britain accept an immediate ban "for all time." He accused the Western powers of doing all in their power to "barricade and block the way" toward agreement.

Western sources said the sharp U.S.-Soviet exchange in the U.N.'s 81-nation political committee foreshadowed possible failure of the U.S.-Britain-Soviet talks to begin in Geneva Oct. 31 on negotiating a test ban.

Warns Russ

Lodge warned that if the Soviet Union continues its present tests after Oct. 31, the United States will call off its own one-year test moratorium.

He asserted the United States offer to suspend tests is not conditional on existence of an entire disarmament plan.

Lincoln May Have Encephalitis Case

A possible case of encephalitis (sleeping sickness) has been reported by a Lincoln physician, the State Health Department said Friday.

The disease has been diagnosed as aseptic meningitis and may be encephalitis, the health department explained.

A second report of a possible case of sleeping sickness was reported from Norfolk. However, the department expressed some doubt whether the Norfolk cases were actually encephalitis.

Twenty-five cases of encephalitis have been reported this year, compared with 6 at this time last year.

Jobless Total Dips Sharply

. . . At Lowest Level Of Year

By The Associated Press

Washington—Another recession death pang was recorded Friday with word that unemployment declined by a whopping 588,000 in September.

This matched a similar decline in August. The August drop was expected, but the September improvement was twice the customary seasonal change. And the September data showed solid gains in hard-hit factory employment.

The new data carried the unemployed total to the lowest level this year.

President Eisenhower hailed the report as indicating a noteworthy improvement in the employment picture at a time when the cost of living has been relatively stable.

Eisenhower said in a statement issued at Gettysburg, Pa., that there are good reasons to expect continuing economic recovery in the months ahead.

Margin Narrows

The joint Commerce-Labor Department report showed the idle toll dropped from 4,699,000 in August to 4,111,000 in September. This is about 1½ million above a year ago, but the year-ago margin has been narrowing.

Employment declined seasonally as over a million students left jobs to troop back to classrooms, and farm work stalled somewhat because bad weather earlier had retarded some crops.

The employment total dropped by 738,000 from 65,367,000 to 64,629,000.

Secretary of Commerce Sinclair Weeks and Secretary of Labor James Mitchell termed the new unemployment decline significant. They said a sharp pickup in factory hiring was chiefly responsible for reducing the unemployed total.

In autos, the ratio of unemployed to the industry work force dropped from 3 out of 10 in August to 2 out of 10 in September. In steel, the ratio declined from 1 out of 8 to 1 out of 10.

Over-all, the ratio of joblessness to the nation's work force dropped from 7.6% to 7.2%. This is a seasonally adjusted figure which experts said was even lower than indicated because of technical difficulty in assessing the seasonal change. A year ago the ratio was 4.5%.

Factory employment increased 240,000 in September to 15,700,000. Part of this is seasonal but it was 100,000 more than expected. Auto employment has improved with work on 1959 model cars. Significant gains were reported also in electrical manufacturing.

Chester Firm Draws $1,150 Safety Fines

The Wendell-Foote Oil Co., Chester, Neb., was fined $1,150 total in Federal District Court for 10 violations on excessive driving hours, qualifications or physical exams for company employes.

Erwin Kleveland, president, entered a guilty plea for the company on 10 of the 15 alleged counts under the Interstate Commerce Commission's safety regulations.

The company was fined $250 on one count and $100 on each remaining count.

Judge Robert Van Pelt said maximum fines were not imposed in this case because the offenses occurred previous to his announcement earlier this year that excessive driving hours would not be dealt with lightly.

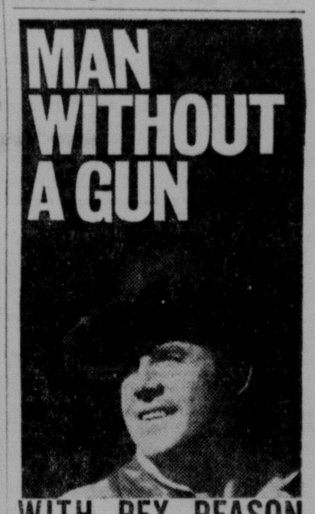

The jurist has warned that excessive hours for truck drivers will not be tolerated because of the "great risk" to the public.

The maximum fine possible is $500. The minimum is $100.

NY Stocks Up Higher

New York (AP)—The stock market ended the week with a burst of power, rising to another record high in the heaviest trading of the year.

Volume soared to 4,610,000 shares compared with 3,670,000 Thursday and was the biggest since the year-end session of Dec. 31 when 5,070,000 shares were traded.

Coppers, steels, oils and drugs were about the strongest groups. Motors were up moderately except for Chrysler which dipped ½. Industrials accounted for the lion's share of the rise. Rails were mixed and utilities slightly higher.

The market's 3rd record high of the week followed two days of irregularity. Volume piled up in waves of trading which put the ticker tape behind transactions on 4 occasions for a total of 31 minutes.

Boosts in copper prices by two major United States producers, sharp increases in steel production and evidence of heavy institutional buying were market factors.

Leading issues rose fractions to two points and more.

The Associated Press average of 60 stocks advanced 80 cents to the peak of $198.70 with the industrials up $1.50 to a record high, the rails unchanged and the utilities up 30 cents to a 1958 high.

Of 1,220 issues traded, 654 rose and 339 fell. There were 181 new highs for the year and two new lows.

Fourteen of the 15 most active stocks advanced. The list of favorites reflected strong interest not only in blue chips but more speculative issues.

American Stock Exchange prices rose on volume of 1,190,000 shares compared with 1,260,000 Thursday.

HOG PRICES FALL TO LOW

Omaha (AP) — Hog prices fell to the lowest level of the year this week, finishing 50 to 75 cents lower for the week.

The bulk of the cattle run consisted of cows and stockers and feeders, which were held for Monday.

OMAHA

Hogs: salable Friday 4,000; trading moderately active; barrows and gilts steady to 25 lower; decline mainly on U.S. No 1 and 2 grade lots; sows about steady; U.S. mixed No 1 and 2 200-250 lbs butchers 18.75-19.00; mixed No 1, 2 and 3 and some No 2 and 3 200-270 lbs 18.50-18.75; No 1, 2 and 3 300-400 lbs sows 17.00-18.00; No 2 and 3 400-500 lbs 16.50-17.00.

Cattle: Salable 1,000; calves 50; salable supply predominately cows and a few loads stocker and feeder steers; replacement cattle and most cows being carried for Monday's trade; a few utility and commercial cows about steady at 17.25-19.00; with canners and cutters 15.00-17.00; other classes nominally unchanged.

Sheep: salable 200; not enough of any one class offered to establish a market.

CHICAGO

The hog market Friday was moderately active with prices for butchers weak to 25c lower. Sows sold 25 to 50c lower.

Butcher hogs grading No. 1 to 3 and scaling 195 to 280 pounds sold from $19 to $19.25. Buyers paid $19.15 to $19.25 for most No. 2 and 3 grades weighing 230 to 270 pounds. A few lots of No. 1s scaling 195 to 220 pounds brought $19.35 to $19.50, the day's top. Mixed grade 300- to 400-pound sows sold from $17.50 to $18.50 and heavier weights ranged from $16.50 to $17.50. Receipts totaled 8,000.

There were not enough steers or heifers among the 700 cattle on hand to test prices. A large portion of the receipts were set aside for stocker and feeder auction, with the balance mostly cows. Cows along bulls and vealers sold at steady prices.

Utility and commercial cows ranged from $17 to $20 and utility and commercial bulls brought $22 to $24. Good vealers sold from $29 to 32.

Sheep were steady. Good and choice slaughter lambs sold from $21 to $23.50 and utility types from $17.50 to $20.50. Slaughter ewes ranged from $5 to $8.

Hogs: 6,000; weak to 25 lower; No. 1-3 mixed grades 195-280 lbs. 19.00-19.25; most No. 2-3, 230-270 lbs. 19.15-19.25; several lots mixed No. 1-2, 195-220 lbs. 19.15-19.35; few lots No. 1, 19.35-19.50.

Cattle: 700; not enough slaughter steers and heifers to test prices; share of today's stockers and feeders consigned to auction; cows steady to weak; vealers steady; activity in stockers and feeders centered on feeder auction with around 3,000 head to be sold, mostly yearlings, and 2-year-old steers; utility and commercial cows 17.00-20.00; good vealers 29.00-32.00; utility and standard 20.00-29.00.

Sheep: 300; all classes steady on limited supply; good and choice slaughter lambs 21.00-23.50; utility 17.50-20.50.

Lincoln Woman Files $37,000 Damage Suit

Peggy J. Merick of Lincoln filed a $37,167.10 damage suit Friday in Lancaster District Court against John N. Christakes of 231 So. 18th. She alleges she suffered back and neck injuries when the car she was driving was involved in a rear-end collision with the car Christakes was driving Apr. 14 on West O.

Grain Futures Steady, Lower

Chicago (AP)—Increased export demand for grains prompted active buying of wheat futures Friday and prices for the bread grain finished steady on the board of trade.

Buying of old crop wheat was moderately heavy and prices for these deliveries were up fractions at the close. The deferred contracts finished unchanged from Thursday's closes.

Other grain futures ended mostly lower, with the downturn of corn and soybeans mainly resulting from colder weather and forecasts for only slight amounts of moisture over the weekend. These conditions are considered favorable to soybeans yet to be harvested and for conditioning corn.

At the close wheat was unchanged to ⅝ higher, Dec. $1.96¼-⅜; corn ⅜ to ¾ lower, old style Dec. $1.13¼-⅜; oats ⅜ lower, Dec. .64⅛-¼; rye ¼ higher to 1⅜ lower, Dec. $1.31⅝-¾, and soybeans ⅛ higher to ¼ lower, Nov. $2.16¼-⅛.

The Department of Agriculture issued its crop production estimate, also after the close, in which this year's corn production was placed at 3,686,218,000 bushels, up 95,452,000 bushels from the department's estimate of a month ago. Wheat production was estimated at 1,449,495,000 bushels, 3,034,000 more than the September forecast.

$25,000 Suit

John D. Kitrell of Lincoln filed a $25,000 damage suit Friday in Lancaster District Court against Floyd W. Meahan Jr. of 2035 R. Kitrell alleges that he suffered neck and back injuries when the car he was driving was involved in a rear-end collision July 3 at 48th and Greenwood with one driven by Meahan.

—Starkweather—

State Asks Sentence Be Upheld

Mass slayer Charles Starkweather's death sentence should be upheld, Attorney General Clarence S. Beck told the State Supreme Court Friday.

In a brief filed with the high court, Beck asked that the District Court jury verdict which sentenced Starkweather to die Dec. 17 for the slaying of Robert Jensen of Bennet be upheld.

Beck's brief was filed as an answer to the brief recently filed by Starkweather's court appointed attorneys in the automatic review of the case by the high court.

The Nebraska Supreme Court reviewes all death sentences handed down by lower courts.

Nebraska Retail Sales 3.1% Above August '57

...Columbus 13.7% Hike Leads State

According to Business in Nebraska, a monthly bulletin published by the University of Nebraska's department of business research, August retail sales continued the Nebraska trend by climbing 3.1% over a year ago and 1% over the previous month.

Automobile sales were down 7.3% in Omaha and Lincoln, about even in other cities, but up 25.8% in the rural areas, the bulletin said.

In the general city index, Columbus led the Nebraska cities with a 13.7% increase in August, compared with a year ago. The index involves bank debits, building activity, retail sales, electricity and gas consumed, water pumped, postal receipts, and newspaper advertising.

Lincoln Gain 3.3%

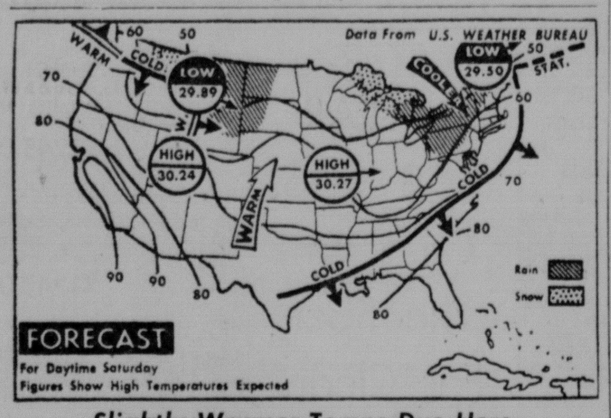

Other cities showing gains were: Chadron, up 13.5%; Scottsbluff 8.2; Norfolk and Broken Bow, both 4.4; Kearney, 4.1; McCook, 3.8; Lincoln, 3.3; Holdrege, 3.0; Grand Island, 2.3; Hastings, 2.2; Falls City, 2.1; and North Platte, same as last year.

Showing a decrease were: Alliance, down 6.0%; Omaha, 1.4; and Beatrice, 1.2.

The city-by-city index of August retail sales, adjusted for seasonal and price changes, follows:

	Per Cent of August, 1957	Per cent of July, 1958

Slightly Warmer Temps Due Here

Rain is expected Saturday in northern New England, Lakes area, coasts of the Carolinas, in Florida, northern Plains; and snow flurries are due in the upper Lakes area and higher elevations of the northern Rockies. Fair weather is expected over the rest of the U.S. It will be cooler in most of the Atlantic states and coastal portions of northern and central California; warmer in northern and central Plains. **(AP Wirephoto Map)**

Bethpage Mission Drive Under Way

Holdrege, Neb. (AP) — Sixty solicitors are at work in Holdrege in connection with the annual ingathering for the Bethpage Mission at Axtell.

Last year, over $2,700 was collected and presented to the mission on the ingathering day, scheduled for Nov. 18.

Fisher Selected

Chadron, Neb. (AP) — Charles A. Fisher has been named president of the 16th Judicial District Bar Assn., succeeding Leonard E. Mumby of Harrison. Members come from Dawes, Box Butte, Cherry, Sioux and Sheridan Counties.

Harvest Festival Planned Sunday

Seward, Neb. (AP) — The 21st annual harvest festival is scheduled for Sunday at the Salem Methodist Church, south of Seward.

Speakers will include Dr. Richard W. Miller, superintendent of Mother Jewels Home at York; Dr. Vance Rogers, president of Nebraska Wesleyan University, and the Rev. Alan Justed of Columbus.

Mental Health Board Will Rule On Sanity Of Dodge Man

Fremont, Neb. (AP) — The Dodge County Board of Mental Health will meet Thursday to rule on the sanity of Joseph Laudenklos, 35, Dodge, who has been charged with shooting with intent to kill.

The charge against Laudenklos was filed by Dodge County Attorney William Line after Adolph Kempf, night marshal of Dodge, was shot and wounded early the morning of Oct. 2.

Line also filed an information alleging that Laudenklos is mentally ill. The criminal charge against Laudenklos, a laborer, is being held up until the sanity hearing.

Sheriff Pelham McGee, who visited Kempf in an Omaha hospital, said the night marshal told of having twice urged Laudenklos to go home the night of Oct. 1.

McGee quoted Kempf as saying Laudenklos had been drinking and he urged the man to go home and go to bed. After the first time, Kempf said Laudenklos drove off, but he returned a few minutes later.

"I thought you were going home," McGee quoted Kempf as telling Laudenklos. "I'm not ready yet," the Dodge man was quoted as replying.

A few minutes later, 3 shots were fired as Kempt sat in his patrol car in the heart of the Dodge business district.

Kempf was hit in the face, but is recovering satisfactorily. McGee said the marshal expects to be released from an Omaha hospital shortly.

Lincoln's Boy Scouts and Girl Scouts are included in the United Community Chest and Red Cross Campaign. A total of 12 youth organizations are supported by the campaign.
